

WE ARE

- A group of families and friends forever changed by boating and water tragedies.
- The “why” behind the “what” of boating and water safety.

PREVENTABLE DEATHS

- That one moment that changed our families forever could have been prevented.
- In most cases, these are 100% preventable deaths.
- Nearly 650 people die each year during recreational boating activities.

ONE WAVE AT A TIME

- Sharing our stories to educate others about staying safe on the water.
- Join us in working together to prevent boating and water tragedies.

OUR STORIES

That one moment that changed our families forever could have been prevented.

A life jacket. A propeller guard.
An aware boat operator. An engine cut-off switch.

Read and learn from our stories at
