

Climate Ready Workforce for Coastal States and Territories Competition

Climate Ready Nation, Climate Ready Workforce

NOAA will assist communities in coastal and Great Lakes states and territories so they may form partnerships that train workers and place them into jobs that enhance climate resilience.

NOAA envisions making between **10-20 awards** under this competition, at amounts ranging from **\$500,000-\$10 million each**. NOAA expects projects to range in duration from 24 months to 48 months, beginning no earlier than May 1, 2024.

Resources from NOAA’s **Climate Program Office, Office for Coastal Management, and National Sea Grant Office** and its partners will be available to provide technical assistance to applicants and recipients to support these innovative efforts.

Letters of Intent Due November 30, 2023

Application Deadline February 13, 2024

Learn more at seagrant.noaa.gov/CRW

Eligibility

This opportunity is open to state, tribal, territorial and local governments, institutions of higher education, and non-profit organizations in coastal states or territories.
