## Program of the 8th Joint Project Team Meeting

## September 17<sup>th</sup>-18<sup>th</sup>, 2023 Auditorium room, BRIN Headquarter located at Jalan MH Thamrin Jakarta Jakarta, Indonesia

## Day 1: Co-Chair:

Prof. Dr. Erna Sri Adiningsih, Executive Director, Indonesian Space Agency, BRIN, Indonesia Dr. Shiro Kawakita, Acting Executive Secretary of Sentinel Asia, SAOC, JAXA, Japan

DAY 1: September 17 <sup>th</sup>		
TIME	Program Items	
9:00-9:20 9:00[10min] 9:10[5min] 9:15[5min]	<ul> <li>Opening Ceremony (Chaired by BRIN)</li> <li>Welcome Remarks: BRIN (Dr. Robertus Heru, Chairman of the ORPA) and JAXA (Dr. Shirou Kawakita, Acting Executive Secretary of Sentinel Asia)</li> <li>Adoption of agenda</li> <li>Group Photo</li> </ul>	
9:20-9:50 9:20[15min] 9:35[15min]	<ul> <li>Session 1: Overview (Chaired by BRIN)</li> <li>Recent activities of Sentinel Asia         <ul> <li>(Mr. Goro Takei, Deputy Executive Secretariat of Sentinel Asia, Japan)</li> </ul> </li> <li>Report of the Steering Committee and APRSAF-28         <ul> <li>(Mr. Koji Suzuki, Co-Chair of Sentinel Asia Steering Committee)</li> </ul> </li> </ul>	
9:50-10:05	Coffee Break (Auditorium room, 3F)	
10:05-11:15 10:05[15min] 10:20[15min] 10:35[15min]	<ul> <li>Session 2: New membership (Chaired by JAXA)</li> <li>Presentation by new members</li> <li>■ Bangladesh Water Development Board (BWDB), New Member of Sentinel Asia         <ul> <li>(Mr. A M Mustofa Sorwar, BWDB, Bangladesh)</li> </ul> </li> <li>● Mindoro Oil Spill Response using Space Data         <ul> <li>(Mr. Noel Jerome B. Borlongan, PhilSA, Philippines)</li> </ul> </li> </ul>	
10:50[15min]	<ul> <li>Operational Use of Remote Sensing and Crowd Sourcing Data on 6 February Earthquake as a Case Study (Ms. Seher Turan, AFAD, Turkey)</li> <li>Extending WFP's Emergency response through regional cooperation with Sentinel Asia - A critical partner for Humanitarian response (Mr. Michael Manalili, UNWFP, Italy)</li> </ul>	
11:05[10min]	Organizational changes of Sentinel Asia members (Ms. Yuki Tanaka, Secretariat of Sentinel Asia)	
11:15-12:00	Session 3: User's Session (Chaired by BRIN) Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia	

As of September 17th

11:15[15min]  The AHA Centre Disaster Monitoring and Analysis Unit and AHA Centre Best Practices on the Sentinel Asia Network (Mr. Sadhu Zukhruf Janottama, AHA Centre, Indonesia)  Sentinel Asia in CA: Lessons learned of 2020-2023 and Search Potential Solutions (Mr. Ulan Abdybachaev, CAIAG, Kyrgyz)  Regional Earth Observations Infrastructure (Mr. Kaliopate Tavola, SPC, Fiji)  12:00-13:00  Lunch (Auditorium room, 3F)  Special Session: Indonesia Session (Chaired by BRIN) Title: Accelerating Satellite-based Data and Information for Disaster Risk Management in Indonesia  Moderator: Prof. Dr. Erna Sri Adiningsih, Executive Director, Indonesian Space Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  14:30-15:30  Session 3: User's Session (Chaired by JAXA) Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)  Near Real Time Space based Support to NDMA/PDMAS during Flood 2022
11:30[15min]  Sentinel Asia in CA: Lessons learned of 2020-2023 and Search Potential Solutions (Mr. Ulan Abdybachaev, CAIAG, Kyrgyz)  Regional Earth Observations Infrastructure (Mr. Kaliopate Tavola, SPC, Fiji)  12:00-13:00  Lunch (Auditorium room, 3F)  Special Session: Indonesia Session (Chaired by BRIN) Title: Accelerating Satellite-based Data and Information for Disaster Risk Management in Indonesia  Moderator: Prof. Dr. Erna Sri Adiningsih, Executive Director, Indonesian Space Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  14:30-15:30  Session 3: User's Session (Chaired by JAXA) Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia  (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
Solutions (Mr. Ulan Abdybachaev, CAIAG, Kyrgyz)  Regional Earth Observations Infrastructure (Mr. Kaliopate Tavola, SPC, Fiji)  12:00-13:00  Lunch (Auditorium room, 3F)  Special Session: Indonesia Session (Chaired by BRIN) Title: Accelerating Satellite-based Data and Information for Disaster Risk Management in Indonesia  Moderator: Prof. Dr. Erna Sri Adiningsih, Executive Director, Indonesian Space Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  14:30-15:30  Session 3: User's Session (Chaired by JAXA) Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
• Regional Earth Observations Infrastructure (Mr. Kaliopate Tavola, SPC, Fiji)  12:00-13:00  Lunch (Auditorium room, 3F)  Special Session: Indonesia Session (Chaired by BRIN) Title: Accelerating Satellite-based Data and Information for Disaster Risk Management in Indonesia  Moderator: Prof. Dr. Erna Sri Adiningsih, Executive Director, Indonesian Space Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  14:30-15:30  Session 3: User's Session (Chaired by JAXA) Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
11:45[15min]  Regional Earth Observations Infrastructure (Mr. Kaliopate Tavola, SPC, Fiji)  12:00-13:00  Lunch (Auditorium room, 3F)  Special Session: Indonesia Session (Chaired by BRIN) Title: Accelerating Satellite-based Data and Information for Disaster Risk Management in Indonesia  Moderator: Prof. Dr. Erna Sri Adiningsih, Executive Director, Indonesian Space Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  14:30-15:30  Session 3: User's Session (Chaired by JAXA) Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
12:00-13:00 Lunch (Auditorium room, 3F)  13:00-14:30 Special Session: Indonesia Session (Chaired by BRIN) Title: Accelerating Satellite-based Data and Information for Disaster Risk Management in Indonesia  Moderator: Prof. Dr. Erna Sri Adiningsih, Executive Director, Indonesian Space Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  14:30-15:30 Session 3: User's Session (Chaired by JAXA) Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
12:00-13:00  Lunch (Auditorium room, 3F)  Special Session: Indonesia Session (Chaired by BRIN) Title: Accelerating Satellite-based Data and Information for Disaster Risk Management in Indonesia  Moderator: Prof. Dr. Erna Sri Adiningsih, Executive Director, Indonesian Space Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  14:30-15:30  Session 3: User's Session (Chaired by JAXA) Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
13:00-14:30  Special Session: Indonesia Session (Chaired by BRIN)  Title: Accelerating Satellite-based Data and Information for Disaster Risk Management in Indonesia  Moderator: Prof. Dr. Erna Sri Adiningsih, Executive Director, Indonesian Space Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  14:30-15:30  Session 3: User's Session (Chaired by JAXA)  Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
Title: Accelerating Satellite-based Data and Information for Disaster Risk Management in Indonesia  Moderator: Prof. Dr. Erna Sri Adiningsih, Executive Director, Indonesian Space Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  14:30-15:30  Session 3: User's Session (Chaired by JAXA)  Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
Moderator: Prof. Dr. Erna Sri Adiningsih, Executive Director, Indonesian Space Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  14:30-15:30  Session 3: User's Session (Chaired by JAXA)  Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  Session 3: User's Session (Chaired by JAXA)  Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia  (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
Agency, BRIN, Indonesia  Panelists from Indonesia  Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)  Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)  Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  Session 3: User's Session (Chaired by JAXA)  Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia  (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
<ul> <li>Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)</li> <li>Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)</li> <li>Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)</li> <li>Dr. Firman Hadi, Diponegoro University</li> <li>Dr. Yenni Vetrita, RSO UNSPIDER, BRIN</li> <li>Discussion</li> <li>Session 3: User's Session (Chaired by JAXA)         Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia         Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)     </li> </ul>
<ul> <li>Dr. Ir. Udrekh, S.E., M.Sc., National Disaster Management Authority (BNPB)</li> <li>Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)</li> <li>Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)</li> <li>Dr. Firman Hadi, Diponegoro University</li> <li>Dr. Yenni Vetrita, RSO UNSPIDER, BRIN</li> <li>Discussion</li> <li>Session 3: User's Session (Chaired by JAXA)         Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia         Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)     </li> </ul>
<ul> <li>Mr. Bambang Surya Putra, National Disaster Management Authority (BNPB)</li> <li>Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)</li> <li>Dr. Firman Hadi, Diponegoro University</li> <li>Dr. Yenni Vetrita, RSO UNSPIDER, BRIN</li> <li>Discussion</li> <li>Session 3: User's Session (Chaired by JAXA)         Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia         Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)     </li> </ul>
<ul> <li>Dr. Jamal, Center for Geological Survey, Ministry of Energy and Mineral Resources (ESDM)</li> <li>Dr. Firman Hadi, Diponegoro University</li> <li>Dr. Yenni Vetrita, RSO UNSPIDER, BRIN</li> <li>Discussion</li> </ul> 14:30-15:30 Session 3: User's Session (Chaired by JAXA) Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia <ul> <li>Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)</li> </ul>
Resources (ESDM)  Dr. Firman Hadi, Diponegoro University  Dr. Yenni Vetrita, RSO UNSPIDER, BRIN  Discussion  Session 3: User's Session (Chaired by JAXA)  Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
<ul> <li>Dr. Firman Hadi, Diponegoro University</li> <li>Dr. Yenni Vetrita, RSO UNSPIDER, BRIN</li> <li>Discussion</li> <li>Session 3: User's Session (Chaired by JAXA)         Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia         Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)     </li> </ul>
<ul> <li>Dr. Yenni Vetrita, RSO UNSPIDER, BRIN</li> <li>Discussion</li> <li>14:30-15:30 Session 3: User's Session (Chaired by JAXA)         Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia     </li> <li>Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia         (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)     </li> </ul>
<ul> <li>Discussion</li> <li>14:30-15:30</li> <li>Session 3: User's Session (Chaired by JAXA)         Presentation on good practices of Sentinel Asia or expectation towards         Sentinel Asia         Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia         (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)     </li> </ul>
14:30-15:30 Session 3: User's Session (Chaired by JAXA) Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  • Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
14:30-15:30 Session 3: User's Session (Chaired by JAXA) Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  • Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
Presentation on good practices of Sentinel Asia or expectation towards Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
14:30[15min]  Sentinel Asia  Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
• Utilization of satellite data in the recent volcanic disaster at Mt. Semeru, Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
Indonesia (Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
(Dr. Yoshito Kikumori, BNPB, JICA expert, Indonesia)
14:45[15min] (Dr. Mohammad Farooq, SUPARCO, Pakistan)
15:00[15min] Disaster Management Activities in Bangladesh
(Mr. Monammad Imrui Islam, SPARRSO, Bangladesn)
15:15[15min] • Remotely Sensed Satellite-based Disaster Monitoring in Lao PDR
(Mr. Soukanh LATHSAVONG, MONRE, Lao PDR)
15:30-16:00 Coffee Break (Auditorium room, 3F) /
Prayer Time (Prayer room "Mosque", 2F)
16:00-18:00 Session 4: Discussion Session
*Practical panel discussion to further promote the STEP-3 plan by sharing the
ideas to accelerate the Sentinel Asia's activities
Facilitator: Mr. Koji Suzuki, Co-Chair of Sentinel Asia Steering Committee

	As of September 17th
	Panelists and their presentation titles  Result of questionnaires after each emergency observation request (Dr. Makoto Ikeda, ADRC, Japan)  Mitigation phase and Preparedness phase  Good Practices from Southeast Asia for supporting Sentinel Asia Step-3 (Dr. Peeranan Towashiraporn, ADPC, Thailand)  The Crucial Role of Early Warning and Monitoring Systems in Empowering Disaster Preparedness and Mitigation (Dr. Niranga Alahacoon, IWMI, Sri Lanka)  Response phase  WFP's Geospatial Innovation for Improved Humanitarian Response (Mr. Michael MANALILI, UNWFP, Italy)  Recovery phase  Post-Disaster Recovery Management (Mr. Lukmanul Hakim, National Disaster Management Authority (BNPB), Indonesia)  Discussion / Q&A from the floor  Wrap-up
18:00-18:05	Wrap-up of DAY I and logistics announcement
18:05	Adjourn
18:05-19:00	Network Reception
<u> </u>	-

## Day 2: Co-Chair:

Dr. Adrin Tohari, M.Eng., Director for research center for Geological Disaster, BRIN, Indonesia Dr. Shiro Kawakita, Acting Executive Secretary of Sentinel Asia, SAOC, JAXA, Japan

DAY 2: September 18 <sup>th</sup>		
TIME	Program Items	
9:00- 9:45	Training Workshop I: Emergency Observation Procedure (Chaired by BRIN)	
9:00[25min]	How to request emergency observation via OPTEMIS	
9:25[20min]	(Mr. Goro Takei, Deputy Executive Secretariat of Sentinel Asia, Japan)	
	Standard Operation Procedure (SOP) for smooth EOR	
	(Dr. Makoto Ikeda and Dr. Chihori Tatebe, ADRC, Japan)	
9:45-10:45	Training Workshop II: Water Related Disaster Management/ Hazard map	
	(Chaired by JAXA)	
9:45[20min]	Potential flood hazard zonation and flood shelter suitability mapping for	
	disaster risk mitigation in Bangladesh using geospatial technology	
10:05[20min]	(Mr. Kabir Uddin, ICIMOD, Nepal)	
	Flood monitoring using GSMaP-IF	
10:25[20min]	(Dr. Morimasa Tsuda, BWDB, JICA expert, Bangladesh)	
	Promoting anticipatory action for disaster mitigation response through an	
	innovative CGIAR AWARE platform (Early Warning to Action and Finance	
	(Dr. Niranga Alahacoon, IWMI, Sri Lanka)	

As of September 17th

	As of September 17th
10:45-11:00	Coffee Break (Auditorium room, 3F)
11:00-12:00	Training Workshop III: Developed Systems (Chaired by BRIN)
	*Showcase developed systems for Disaster Management
11:00[20min]	• Promoting anticipatory action for disaster mitigation response through an innovative CGIAR AWARE platform (Early Warning to Action and Finance (Dr. Niranga Alahacoon, IWMI, Sri Lanka)
11:20[20min]	<ul> <li>Spatial Flood Early Warning</li> <li>(Mr. Amanpreet Singh, ISRO, India)</li> </ul>
11:40[20min]	<ul> <li>Rapid mapping and damage assessment based on optical satellite data (Dr. Mohammad Farooq, SUPARCO, Pakistan)</li> </ul>
12:00-13:00	Lunch (Auditorium room, 3F)
13:00-15:00	Data Analysis Node Session (Chaired by JAXA)
12 00520 . 3	*Practical workshop on analysis method
13:00[30min]	<ul> <li>Using SAR data for Rapid Disaster Response Support in the EOS Remote Sensing Lab (Ms. Shi Tong Chin, EOS, Singapore)</li> </ul>
13:30[30min]	
14:00[30min]	DInSAR to map the land deformation after the earthquake using Sentinel-1 (Mr. Udhi Catur Nugroho, BRIN, Indonesia)      And Andrew Catalogue (A. P. P.)
[	Improving Sentinel Asia's Emergency Response Activities: SAR Data
	Analysis and Mobile App Development  (Mr. Syoms Nasherallah Synniinta AIT Thoiland)
14:20[30min]	(Mr. Syams Nashrrullah Suprijatna, AIT, Thailand)
	<ul> <li>Analysis method using optical satellite data (Prof. Masahiko Nagai, Yamaguchi University, Japan)</li> </ul>
15:00-15:30	Coffee Break (Auditorium room, 3F) /
	Prayer Time (Prayer room "Mosque", 2F)
15:30-16:25	Training Workshop IV: Data Analysis method (Chaired by BRIN)
15.20[10min]	<ul> <li>*Practical workshop on analysis method</li> <li>The Mohammed Bin Rashid Space Centre's contribution to Sentinel Asia</li> </ul>
15:30[10min]	(Ms. Alia Mohammad Almekhyat, and Ms.Meera Rashid Alshamsi, MBRSC)
15:40[20min]	Automatic Analysis method     (Ms. Yuki Takakura, JAXA, Japan)
16:00[25min]	Analysis of Satellite Images for Disaster Detection Using Customized Tools
	Built in QGIS
	(Dr. Li-Yu Chang, TASA, Taiwan)
16:25-17:00	Closing Session (Chaired by JAXA)
16:20[20min]	• Summary of JPTM 2023 by Sentinel Asia Secretariat
16:40[5min]	Announcement of next JPTM host organization by Sentinel Asia Secretariat
16:50[10min]	Closing Remarks by BRIN
	Closing Remarks by DIVIIV
17:00	Adjourn

Note: September 17 is "Car free day" until 10:00am in the morning, in Jakarta, Indonesia. During "Car free day", you can only use public transportation such as bus and subway. In this regard, accommodation within walking distance is highly recommended.
