FAST BREAK FACTS

- Colgate and Kentucky meet for the first time on Wednesday night inside Rupp Arena. This will be Colgate's first matchup against an SEC opponent since Dec. 2, 2022, at Auburn. The Raiders faced Texas that year in the NCAA tournament when the Longhorns were still members of the Big 12.
- The Raiders tribute this game to their late faculty liaison, Ephraim Woods, who was an avid fan of Colgate and Kentucky Basketball. Professor Woods passed away in 2023 after a battle with brain cancer.
- This marks the second straight season Colgate will face a team nationally ranked in the top five. Last year, the Raiders traveled to Tucson, Ariz., to take on the second-ranked Wildcats. Arizona built off a five-point halftime lead to win by a final score of 82-55.
- Five Raiders scored in double figures for the first time this season in Colgate's narrow 78-75 loss to Northeastern on Sunday. Brady Cummins led the team with 15 points followed by Jalen Cox and Nicolas Louis-Jacques who each scored 14.
- Colgate's strength of schedule is ranked 121st in the country, arguably the toughest non-conference slate in program history, according to Team Rankings. Lehigh is the next closest Patriot League opponent with a SOS ranked 197th nationally.
- Colgate has lost eight of its last nine games while Kentucky comes in as winners in eight of its last nine. The Raiders look to snap their four-game skid, a tall task against the fifth-ranked Wildcats who are coming off a 90-89 win over Gonzaga.

SETTING THE SCENE

Colgate heads to Lexington, Ky., for the first all-time meeting against the Kentucky Wildcats. This is Colgate's first SEC matchup since a 93-66 loss at Auburn on Dec. 2, 2022. The Raiders faced Texas that same year in the NCAA tournament when the Longhorns were members of the Big 12. This is the second consecutive year Colgate is facing a top-five opponent after taking on second-ranked Arizona last December in Tucson, Ariz.

A TRIBUTE TO THE LATE PROFESSOR WOODS

Watching from the seats of Rupp Arena in Lexington, Ky., will be the family of Ephraim Woods, the late Colgate chemistry professor and men's basketball faculty liaison who passed away on Feb. 13, 2023 following a battle with brain cancer. Woods, a native of Ashland, Ky., was a lifelong Wildcats fan who developed a love for Raiders' basketball after he began teaching at Colgate in 2002. As liaison, he became a regular at practices while building friendships with coaches and student-athletes.

LAST GAME TAKEAWAYS

Colgate fought tooth and nail to nearly erase an 11-point deficit over the final 2:40 but Brady Cummins' potential tying three-point shot rattled out at the buzzer in a 78-75 loss at Northeastern. Cummins led the team for the third straight game with 15 points, while Jalen Cox continued to fill the stat sheet with 14 points, 6 rebounds, and 5 assists. Colgate racked up 14 steals on a day Northeastern turned the ball over 18 times. The Raiders outscored the Huskies 23-8 off turnovers but the home team turned 11 o-boards into a 17-7 edge in second-chance points.

PRESEASON FAVORITES

Colgate was picked first in the Patriot League preseason poll for the fourth consecutive year, receiving 14 of a possible 18 first-place votes. Head Coach Matt Langel is 13-for-13 in either tying or beating the preseason ranking but has an unfamiliar task this season, leading a team that does not return an All-Patriot League selection for the first time since the 2017-2018 season.

COLGATE PLAYER TO WATCH

Parker Jones has been a difference maker on the court. He made three 3-pointers last time out, his third game with at least three made triples this season, on his way to 13 points. The sophomore forward added five rebounds, four steals, two blocked shots, and two assists. He continues to fill the stat sheet as one of Colgate's standout performers.

RAIDER WEEKLY RUNDOWN

Colgate's grueling non-conference road slate comes to an end on Wednesday in Lexington. The Raiders conclude their non-league schedule with back-to-back home games against Vermont and Iona before opening their Patriot League title defense on the other side of the holiday break.

ROSTER BREAKDOWN

Colgate's young team features nine underclassmen with four first years, five sophomores, two seniors and one fifth-year. The first years will look to have an early impact on the 2024-25 squad. Colgate returns two regular starters from last year's team, which does not include fifth-year center Woodward who has played in more than 100 games in his career. His starts were limited playing alongside All-League center Keegan Records.

CUMMINS CONNECTING FROM LONG RANGE

Junior Brady Cummins led the team in the Live Oak Bank Holiday Classic averaging 15.3 points per game. He connected on 6-of-14 from behind the arc for a team-best .429 percent clip during the three-game stretch. On the season Cummins leads the team in three-point percentage and has been the team's leading scorer in each of the last three games.

COLGATE BASKETBALL BY THE NUMBERS

7 Colgate has reached the Patriot League tournament title game in **seven** consecutive seasons.

6 The last **six** Patriot League championship games have been played at Cotterell Court.

5 Colgate has claimed **five** consecutive Patriot League regular season championships.

4 Colgate has won **four** consecutive Patriot League championships dating back to the 2020-21 season.

BACK, TO BACK, TO BACK, TO BACK CHAMPS

Colgate capped off its fourth consecutive Patriot League championship with a 74-55 victory over Lehigh. The Raiders' run of historic success continued with their seventh consecutive league championship game appearance (sixth straight championship game at home), fourth straight championship, and fifth title in six years.

The Raiders finished the season with 25 wins (25-10), which tied for the second most wins in program history and only one shy of the record set during the 2022-23 NCAA tournament team that finished 26-9 and set the Patriot League record with 17 league wins (17-1). Since 2018-19, Colgate has a remarkable 87-15 Patriot League record which has included five 20-win seasons - the program's only five such campaigns in their 124-year history.

Head Coach Matt Langel was named the Patriot League Coach of the Year for the fifth time in a seven-year span. Last year he became the only coach in Patriot League history to earn the award four times before repeating in 2023-24. Langel's five PL championships are the most of any men's basketball head coach in league history, and in his 14th season he has tied the PL record for the most tournament wins of any head coach (21). Colgate's seven Patriot League championships are the most by any team in the league. Five of them have come in the last six years under head coach Matt Langel, who is already the winning coach in program history.

Colgate has appeared in seven consecutive Patriot League championship games, hosted the last six Patriot League title games, reached the NCAA tournament five times since 2018-19 with with five Patriot League championships, five regular season titles, and five 20-win seasons. Before 2018-19 the Raiders had only reached the NCAA tournament twice ever, back-to-back years in the mid-90s, and they had never enjoyed a 20-win season.

Colgate's historic run started in 2018-19 when the Raiders won their first Patriot League title in 23 years by defeating Bucknell in the championship game, 94-80, on March 13, 2019. That was only the beginning of what has grown into one of the most respected stretches of success in the nation. Colgate's run of five consecutive NCAA tournament appearances ranks sixth nationally, tied with Baylor. The only programs with longer active NCAA tournament streaks include Kansas, Michigan State, Gonzaga, Purdue, Tennessee, and Houston.

PATRIOT LEAGUE LEADER

With five PL championships in six years Colgate has vaulted to the top of the league in total titles (7), surpassing Bucknell and Holy Cross who both have six. The Raiders have eight regular season championships, which only trails Bucknell's 13 for the most in the conference.

COLGATE HONORS LATE FACULTY LIASION

The Colgate men's basketball team honored its late faculty liasion, Ephraim Woods, with a 3-on-3 basketball tournament on campus for the campus community. Woods, who passed away in February 2023, was the program's long-time faculty liasion and lifelong basketball fan. The proceeds from the tournament raised awareness for the American Brain Tumor Association in his memory.

ABOUT COLGATE UNIVERSITY

Colgate is a distinctive, leading American university known for its intellectual rigor, world-class professors, campus of stunning beauty, and alumni famously loyal to their alma mater. Through its curriculum, the engagement of the faculty, and life on the campus, Colgate challenges students to be enlightened thinkers and prepares them to be global citizens who will thrive in life and in work.

ABOUT THE PATRIOT LEAGUE

The Patriot League is in its fourth decade of academic and athletic achievement, continually demonstrating that student-athlete can excel at both academics and athletics without sacrificing high standards. The Patriot League's athletic success is achieved while its member institutions remain committed to its founding principle of admitting and graduating student-athletes that are academically representative of their class. Participation in athletics at Patriot League institutions is viewed as an important component of a well-rounded education.

RAIDERS AMONG NATION'S BEST ACADEMICALLY

Colgate University student-athletes continue to set a national standard in the classroom, posting a 97 percent graduation success rate according to the new NCAA Graduation Success Rate (GSR) data. Colgate's 97 percent GSR remains a leader among its peers and ranks alongside contemporaries such as Stanford and Vanderbilt. Colgate was the only top 25 liberal arts institution in the 2023-24 NCAA tournament, according to U.S. News & World Report.

LUCKY NUMBER 13

Colgate considers 13 to be its lucky number. The University celebrates Colgate Day every Friday the 13th. In 1817, 13 men met in the frontier settlement of Hamilton, N.Y., to found the Baptist Education Society of the State of New York. They are said to have backed up their experiment in education with 13 dollars and 13 prayers, which is why 13 is considered a lucky number at Colgate. The 13 stripes as a graphic element pay homage to those student-athletes who have come before, and to those who earned their stripes competing for championships.
