

A NEW ERA FOR CANCER CARE IN KENTUCKY

The Markey Cancer Foundation is grateful for the support and dedication of our many donors. Their generous giving allows us to make a real difference in the fight against cancer here in Kentucky and directly contributed to our achievement of National Cancer Institute (NCI) designation as a Comprehensive Cancer Center in 2023. These contributions are vital as we fund groundbreaking research and expand access to high-quality cancer care for Kentuckians, including a new state-of-the-art facility that will unite all of our outpatient services together under one roof. Seeing the Markey Cancer Center's impact across the Commonwealth is truly inspiring. That impact is because of the incredible support from our donors.

CALL TO POST SOCIETY

FY 2023

The Call to Post Society recognizes donors who give \$1,000 or more of unrestricted funds in the previous fiscal year to support our efforts to overcome cancer. These vital annual contributions directly impact critical initiatives at the Markey Cancer Center. Annual giving levels offer unique benefits and recognize the generosity of donors.
