

# Emergency Operations Center

The Emergency Operations Center (EOC) is the focal point for coordination of emergency response and recovery activities throughout. The EOC is the focal point for coordination of Wells County's emergency **planning, training, response and recovery** efforts. Its processes follow the National All-Hazards approach to such major disasters as **fires, floods, earthquakes, acts of terrorism, and large-scale events** within and/or affecting Wells County that require involvement by multiple City departments and even regional response agencies. EOC Organization: Arranged according to [NIMS](#)/Incident Command System (ICS) standards into **Management, Operations, Planning, Logistics**, and **Finance & Administration** sections

Emergency Support Function Emergency Management (ESF 5 ) Layout: Arranged according to ICS Branch/Federal Emergency Support Functions: Law Enforcement, Fire Service, Transportation, Utilities, Public Works, Mass Care, Damage Assessment, Emergency Management, Port, **and** Airports
