# Greetings FROM OUR SERVANT LEADERS

*Arelis* and I are pleased, excited, and thrilled to greet and welcome each of you to our *first Planning Meeting Conference in the Seventh Episcopal District of the African Methodist Episcopal (AME) Church, after our providential assignment at the 52<sup>nd</sup> Quadrennial Session of the AME General Conference in August 2024.*

Our Holy Spirit-directed *Theme* is: **"IGNITE!"** Our supporting *Scripture* is **Philippians 4:9**, "What you have learned and received and heard and seen in me – practice these things, and the God of peace will be with you."

Our Theme will be an essential tool for strengthening and developing even more kingdom-minded Christians to become intentional disciples by restoring hope in the power of God's Word through prayer, study, meditation, and application.

For the 2024-2025 Conference year, we are collectively redefining, redeveloping, and creating intergenerational ministries that most effectively utilize our human and material resources for kingdom building in our churches and communities, locally and globally.

During our Planning Meeting, we want to hear from you. Together - we will plan, design, and implement ministries that meet the needs and abilities of those God has entrusted us to serve and placed in our path.

We will continue to focus on our churches working inwardly and outwardly toward full community engagement locally and globally. Our goal is to produce empowered Christians in all our churches. This will be accomplished through careful and prayerful implementation and active faith-based experiences. What is the focus of this process? We are revitalizing those who serve. We are aiming for greater effectiveness and efficiency in every church and community. We are creating paths for success. We are designing plans and programs for the future.

In September and October 2024, we assembled pastors/clergy and lay persons from our six (6) Annual Conferences to do Kingdom business. Despite hurricanes, tornadoes, and floods, you persevered. God put a rainbow in the sky and brought us through dangers seen and unseen. As we met, I sensed motivation

to do even more for the upbuilding of God's kingdom in these uncertain times. Thank you, presiding elders, pastors, clergy, and laity-children, youth, young adults, and adults. Thank you, District and Conference Components, Committees, and Ministry Leaders. I applaud you for the great work you have done. We know God has even greater things for the Seventh Episcopal District.

We have intentionally provided room at the table for multigenerational input. This means more than just letting everyone into Seventh District spaces. It means creating spaces that make all ages feel they belong in the room and at the table. Hence, all voices' dignity, worth, and opinions are factored into planning and implementing programs and services that meet the needs of all members of the Seventh Episcopal District.

For this Planning Meeting and the 2024 -2028 Quadrennial duration, we have prayerfully chosen, for your consideration, a one-word Theme, **IGNITE**. This is a powerfully dynamic word with fascinating outcomes and hundreds of ways to explore under Three-focus areas: (1) Discipleship and Evangelism; (2) Accountability, Transparency, and Ethical character; and (3) Political Involvement – Emphasis on civil and civic engagement.

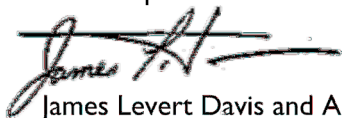

You will hear much more about the Three Focus Areas at this Conference and beyond. Stay tuned for the exciting things to come!

May we renew our commitment to see the Church as the cornerstone of a rejuvenated community. May we pledge to use our God-given gifts and talents to make this a reality in every corner of this nation and the world where we can influence and serve.

May we articulate and demonstrate the dignity and worth of every individual irrespective of color, creed, nationality, and happenstance of birth. May our experiences over these three days empower us to be ever mindful and doers of our priority as commanded by Jesus to His disciples in **Matthew 28: 19-20**.

May each of us allow the Holy Spirit to do His work in us so that we will leave Florence, South Carolina, rejuvenated for the work ahead. We pray that each attendee will return to their communities passionately committed to *making this mission a reality in every corner of this nation and the world* where the members of the AME Church are privileged to influence. Spread hope, healing, peace, and power in the name of the King of Kings and Lord of Lords.

With a Spirit to **IGNITE** – “I Dare You to Trust God”

It is a journey fueled by grace and guided by the Holy Spirit. Through prayer, studying scripture, and living out Christ’s teachings, we gradually transform our hearts and minds. Each challenge we face and every step we take brings us closer to embodying the character of Jesus - compassionate, patient, and selfless. Spiritual growth is not just about knowledge, but about becoming a living reflection of Christ’s love in the world.</i>

# AGENDA SCHEDULE

THURSDAY, NOVEMBER 7, 2024

***Nurturing Impact:** When we act in Jesus' name, we are called to be the hands and feet of Christ in a world that deeply needs His love. Impacting our community and the world starts with intentional, compassionate action - serving others, standing for justice, and offering hope. Every kind word, selfless deed, and moment of service has the potential to make a lasting difference in the lives of others, reflecting the love of Christ. As we nurture this impact, we not only transform our surroundings, but also brings glory to God, shining His light into even the darkest places.*

***Transforming Evangelism:** Evangelism isn't a one-size-fits all approach; it takes many forms and meets people where they are. Whether through sharing the Gospel directly, serving others in love, or living out Christ's teachings in our everyday actions, evangelism is about reflecting Jesus in a way that resonates with the hearts of those around us. As long as we remain focused on the ultimate purpose - to introduce others to the life-transforming love of Christ - our efforts, big or small, can plant seeds of faith. True evangelism serves the needs of individuals and communities while pointing them toward the hope and salvation found in Jesus.*

# Our GUEST PREACHER

**Reverend Dr. Lee P. Washington** is a gifted preacher and teacher. He served the Reid Temple African Methodist Episcopal (AME) Church, located in Glenn Dale, Maryland as its biblically based and Holy Spirit-led Senior Pastor for 37 years until his retirement in 2019. His extraordinary vision, unconventional leadership, and prophetic calling manifested daily miracles in the life of the church.

Dr. Washington led Reid Temple from a church membership of 300 worshipers to over 1,500 memberships within three years. Under God's guidance and Dr. Washington's leadership, the Reid Temple AME Church congregation acquired 32 acres of land in suburban Glenn Dale, Maryland. There, it built the spacious 130,000 square foot ultra-modern sanctuary and educational worship complex which houses most of the church's multifaceted services,

programs, and ministries. Reid Temple birthed two additional worship locations - Reid Temple North and Reid Temple DC became Kingdom Fellowship African Methodist Episcopal Church under the pastoral leadership of Reverend Matthew Watley.

As a visionary leader seeking to provide services to a multi-generational congregation and community, Dr. Washington established the Reid Community Development Incorporation, Reid Temple Christian Academy, Reid Temple Restoration Center, Reid Temple Credit Union, Glad Tidings Bookstore, and the Reid Temple Senior Center. Prior to his retirement, Dr. Washington was able to oversee the development of the Woodlands Senior Housing Complex.

Dr. Washington is the author of *Identifying Conflict Management Strategies in a Black Church* (Vantage Press, 1987) and a contributing author to the *African American Devotional Bible* (Zondervan, 1997). He has authored the following booklets: *From Membership to Discipleship*, *From Membership to Fellowship: Reid Temple*, *The Commission System for Corporate Churches*, *The Reid Temple Stewardship Manual* and *The Discipleship Development Manual*.

Reverend Dr. Lee P. Washington was born and raised in Grasonville, Maryland. He is married to Anna Brooks Washington. They have two sons, Levon Lee and Brooks Paul Washington. Dr. Washington is the proud grandfather of five grandchildren Quante, Leanna, Nia, Kennedy, and Levon Jr.

# 2025 ANNUAL CONFERENCES HOSTING PROCEDURES

It is an awesome privilege and a very challenging opportunity to serve as the Host of an Annual Conference within the 7<sup>th</sup> Episcopal District. This document from my office will provide all the available information in one volume to aid you in effectively and efficiently facilitating this process. We hope this will assist you in preparing for the conference.

Thank you in advance to the committee and the local congregations for your leadership in hosting the 2025 Annual Conference. Please contact my office if you need clarification on any of these logistical areas.

Accordingly, the host committees and local churches will lead the effort to host the annual conference in collaboration with the presiding elders, pastors, and churches of the annual conference. The highest priority of hosting the annual conference is providing a comfortable environment for all attendees in the setting of all worship services and business sessions of the annual conference.

Thus, the local churches are responsible for providing the basic necessities of hosting a successful annual conference:
