SUBJECT: Addendum 2016-2018 Academic Calendar: *Grade submission deadline for the 10 week session*

CATALOG ADDENDUM

Issues/concerns: The 10 week session current deadline for grade submission does not provide faculty with sufficient time to grade students' work and final exams.

Rationale/Justification:

Due to the rigorous of 300 level courses with Practicum components, faculty needs time to dialogue on the grading component for practicum as this involves collaboration amongst assigned faculty for the core content courses. The request to extend the deadline for another week will not impact recording of grades by the Records office.

Recommendation:

Extend deadline for another week to provide faculty with enough time for grading and assessment of students' work. New deadline for the 10 week session to replace the current deadline as noted in the 2016-2018 catalog.

Thank you Sifa.

Will initiate the proposal to change the deadline for submission of grades for the 10 week session. We will go with one week after the noted deadline for 10 week session Academic Calendar. This is extending the current deadline for one whole week. Thank you for the recommendation and support of our faculty. These are the proposed changes:

Fall 2016 (10 week) session :	November 28.....	10 week session Fall 2016 Grades Due
Spring 2017 (10 week) session:	May 1, 2017.....	10 week session Spring 2017 Grades Due
Fall 2017 (10 week) session:	November 27, 2017	10 week session Fall 2017 Grades Due
Spring 2018 (10 week) session:	April 30, 2018.....	10 week session Spring 2018 Grades Due

Let me know if there are questions.

Blessed day,

Letupu

Talofa Dean,

On our regular 15 week calendar – all grades due are noted for December 23 which is 3-4 weeks after the due date for the 10 week session. Maybe we can propose moving the due date to one week after and still have the noted due date from the regular calendar as the last day to submit grades.

Thanks,

Sifa

Taeao Manuia Acting Dean/Registrar,

I have been approached by couple of faculty on the deadline for the 10week session that it does not provide them with enough time to complete grading. This is mainly from the 300 level courses due to the rigorous of courses and completion of practicums. Therefor I am proposing postponing the deadline from Monday to Friday of the same week. Please advise if this would be an issue in regards to reporting for Records.

If it won't be a problem I would kindly advise to change the Academic Calendar for the 10 week session mainly for submission of grades to Friday of the week after finals instead of Monday as its currently noted.

Thanks,

Letupu
