Computational Linguistics	3	LIN 200 (UK Core ACR; Linguistics 200+ level elective)	3
Linguistics 200+ level elective	3	^Additional Coursework 200+ (Natural science course)	3
^Additional Coursework 200+ (Natural science course)	3	^ANT 230 (A&S SS)	3
UK Core GDY	3	^Natural science course	3
^A&S Lab	3	^Natural science course	3
Total Credits: 15		Total Credits: 15	
FALL	YEAR 4		SPRING
Linguistics 200+ level elective	3	LIN 495: Linguistics Capstone (GCCR)	3
^Additional Coursework 200+ (Natural science course)	3	^Natural science course	3
^Natural science course	3	^Natural science course	3
^Natural science course	3	^Natural science course	3
^◇Elective (Natural Science course)	3	^◇ Elective (Natural Science course)	3
Total Credits: 15		Total Credits: 15	

- ‡ Incoming Students are strongly encouraged to take WRD 112 to fulfill the CC1 and CC2 requirements if they have any of the following: an ACT English score of 32 or higher, an SAT Verbal score of 720 or higher, or an AP English Composition score of 4 or 5. If the student has been accepted into the University Honors Program, the student is required to take WRD 112 to fulfill CC1 and CC2.
- * To be discussed with your academic advisor.
- ⌘ Students who have taken at least 2 years of a language in high school can complete the A&S Foreign Language Requirement with 3 college semesters of a different language. Students choosing this option should replace the 4th semester of language with electives. Also note that if you take a foreign language placement exam, you may be exempt from 1 or more of the beginning semesters of that language. In this case, replace the by-passed language courses with electives. Any language sequence may be used to satisfy the foreign language requirements.
- ^ Counted toward the 60 credit hours in the physical, biological, and/or mathematical sciences.
- ◇ 6 hours of 'free' electives – that do not count toward any other requirement – must be taken. Additional electives may be required to reach the minimum off 120 hours. Consider pursuing a 2nd major or minor.
- **Race and Ethnicity Requirement:** The College requires its students to complete an approved race and ethnicity (R&E) course that will address the changing meanings of race and ethnicity across time and space. Students may double-dip courses to satisfy the R&E requirement with any other requirement.

UK Core Abbreviations	CC1= Composition and Communication I
HUM =Intellectual Inquiry in the Humanities	CC2= Composition and Communication II
NPM=Intellectual Inquiry in the Natural/Physical/Mathematical Science	QFO= Quantitative Foundations
SSC=Intellectual Inquiry in Social Sciences	SIR= Statistical Inferential Reasoning
