

Resources for Tribal Communities

The U.S. Economic Development Administration (EDA) offers a variety of resources to Tribal communities to help facilitate economic growth.

EDA is committed to meeting the needs of Tribal communities and increasing their participation in our grant programs. Following a series of government-to-government consultations with representatives of Tribal communities, EDA [updated its regulations](#) to create greater opportunities for participation, extending Tribal eligibility to include for-profit entities that are wholly owned by and established for the benefit of a Tribe.

For more information on EDA, EDA funding opportunities, and how to apply, please visit EDA.gov.

PROGRAMS THAT CAN SUPPORT TRIBAL NEEDS

PROGRAM GUIDE

PUBLIC WORKS AND ECONOMIC ADJUSTMENT ASSISTANCE PROGRAMS | FY 2022

OVERVIEW: This program provides investments that support construction, non-construction, planning, technical assistance, and revolving loan fund projects under EDA's Public Works program and EAA programs (which includes Assistance to Coal Communities). They are designed to leverage existing regional assets and support the implementation of economic development strategies that advance new ideas and creative approaches to advance economic prosperity in distressed communities, including those negatively impacted by changes to the coal economy.

DEADLINE: There are no submission deadlines under this opportunity. Applications will be accepted on an ongoing basis until a new PWEAA NOFO is published, this PWEAA NOFO is canceled, or all funds have been expended.

EDA PLANNING AND LOCAL TECHNICAL ASSISTANCE PROGRAM | FY 2021–2023

OVERVIEW: EDA assists eligible recipients in developing economic development plans and studies designed to build capacity and guide the economic prosperity and resiliency of an area or region. The Planning program helps support organizations, including District Organizations, Indian Tribes, and other eligible recipients, with Short Term and State Planning investments designed to guide the eventual creation and retention of high-quality jobs, particularly for the unemployed and underemployed in the Nation's most economically distressed regions.

DEADLINE: Applications are accepted on a continuing basis and processed as received. This Planning and Local Technical Assistance opportunity will remain in effect until superseded by a future announcement.

STEM TALENT CHALLENGE

STEM TALENT CHALLENGE | FUNDING PERIOD CLOSED

OVERVIEW: The annual \$2 million “STEM Talent Challenge” provides up to \$250,000 in funding for programs that put Americans across the country on paths to good-paying jobs and careers in science, technology, engineering, and mathematics (STEM). The grantees’ programs give industry sectors access to talent in their own communities to fill in-demand jobs, help drive innovation and strengthen regional economies across the nation.

DEADLINE: Applications are accepted on an annual basis. This funding opportunity will remain in effect until superseded by a future announcement.
