

**Data Elements for the DWSRF Information System (DW NIMS)**

Line #	Category	Field Name	Definition
<b>Federal and State Investment</b>			
<b>Federal Capitalization Grants</b>			
1		Date of Last Award in the Year	Date that EPA awards the grant. <i>Data entered by EPA.</i>
2		Total Annual Federal Grants	Total amount of grant(s) awarded. <i>Data entered by EPA.</i>
<b>Transfer of Federal Funds Between DWSRF and CWSRF</b> <i>(Capitalization grant dollar transfers.)</i>			
4		Amount of Federal Funds Transferred into DWSRF Fund	Net dollar amount of federal funds transferred into the DWSRF from the CWSRF during the federal fiscal year. <i>Data entered by EPA.</i>
5		Amount of Federal Funds Transferred out of DWSRF Fund	Net dollar amount of federal funds transferred out of DWSRF to CWSRF during the federal fiscal year. <i>Data entered by EPA.</i>
6		Net Transfer into/(out of) DWSRF	Net dollar amount of federal funds transferred into/(out of) the DWSRF. <i>Calculated value.</i>
<b>Quarterly Outlays (Dollars)</b>			
8 - 11		Quarterly Outlays	Total amount of actual outlays (i.e., cash draws from the federal ACH) in each quarter during the federal fiscal year. <i>Data entered by EPA.</i>
 <i>Note: The remainder of the DWSRF program information is provided on a July 1 to June 30 basis. This time period is referred to as the Reporting Period.</i>			
<b>DWSRF Fund Investment Summary (Calculated Values)</b>			
16		Annual Net Transfers with CWSRF into/(out of) the DWSRF Fund	Net amount of funds transferred into/(out of) the DWSRF Fund during the reporting period. The amount is from line 43. <i>Calculated value.</i>
17		Annual Amount (Awarded) for Set-Asides	Dollar amount awarded for set-aside accounts. This amount is from line 101 and is shown as a negative number to reflect a reduction in grants available for the DWSRF Fund. <i>Calculated value.</i>
18		Annual Amount of Transfers into DWSRF Fund from Set-Asides	Dollar amount of transfers from awards to set-aside accounts back into the DWSRF Fund. This amount is from line 103. <i>Calculated value.</i>
<b>Outlays (Dollars)</b>			
27		Annual Outlays	Total amount of actual outlays (i.e., cash draws from the federal ACH) during the reporting period. <i>Data entered by EPA.</i>
<b>State Match Contributions Deposited (Dollars)</b>			
<i>The amount deposited into the DWSRF to meet the state match requirement of 20 percent of the capitalization grant amount, by source of funds. Includes additional state match funds that are deposited into the DWSRF to meet future 20% state match requirement and excess match contributions.</i>			
29		Cash or Appropriations	Match provided from cash or state appropriations (i.e., general funds, tax revenues).
30		Bonds Retired Outside the DWSRF Fund	Match provided from bond proceeds that will not be retired using DWSRF funds.
31		Bonds Retired From the DWSRF Fund	Match provided from bond proceeds (net of issuance expenses) that will be retired using DWSRF funds.
32		Pre-Existing Loans	Match provided from loans made under a pre-existing state loan program.
33		Other Sources	Match provided from sources other than the sources listed above (includes match provided from fees charged on DWSRF assistance).
<b>Additional Match for State Program Management Activities (Dollars): The Amount of 1:1 Match Provided for the State Program Management Set-Aside Activities</b>			
36		Credit for 1993 Funding Used	Dollar amount of matching funds taken as a credit based on PWSS match and other eligible state funding in 1993.
37		Cash Contributions Deposited	Dollar amount of additional/new state program management matching funds provided (i.e., spent) as cash contributions.
38		Contributions as In-Kind Services	Dollar amount of additional/new state program management matching funds provided by in-kind services expended, including overmatch funds provided for the PWSS program.
<b>Net Transfer of Funds with CWSRF into/(out of) the DWSRF Fund</b>			
41		Annual Net Transfer of Federal Funds with CWSRF into/(out of) the DWSRF Fund	Net amount of federal funds transferred into/(out of) the DWSRF Fund during the reporting period. The amount is based on the EPA entries on lines 4 and 5, reported on the July 1 to June 30 reporting year. <i>Calculated value.</i>
42		Annual Net Transfer of Non-Federal Funds with CWSRF into/(out of) the DWSRF Fund	Net dollar amount of non-federal funds (e.g. repayments) transferred from the CWSRF into the DWSRF (entered as a positive number) or out of the DWSRF Fund to the CWSRF (entered as a negative number).

Line #	Category	Field Name	Definition
<b>Set-Asides</b>			
<i>Dollar amount of capitalization grant funds awarded and expended (or committed to 1452(k) loans) for allowable state set-aside activities during the reporting period. For amount awarded, include funds from grants awarded during the reporting period for set-aside activities that will be specified for inclusion in workplans. For amounts expended, include amounts expended from the DWSRF set-aside account only.</i>			
<b>Administrative Expenses (Dollars)</b>			
45		Amount Awarded	Dollar amount awarded for administrative expenses to administer the DWSRF program.
47		Amount Transferred to/(from) Administrative Expenses	Net administrative expense awarded amounts transferred to the DWSRF Fund or another set-aside category (entered as a negative number) or from another set-aside category to this category (entered as a positive number) .
50		Annual Expenses - DWSRF Administration	Dollar amount expended from this set-aside account for administrative expenses to administer the DWSRF program.
51		Annual Expenses - Technical Assistance	Dollar amount expended from this set-aside account for administrative expenses for technical assistance.
<b>Small Systems Technical Assistance</b>			
55		Amount Awarded for Inclusion in Workplans	Dollar amount awarded for inclusion in workplans for small systems technical assistance.
57		Amount Transferred to/(from) Small Systems Technical Assistance	Net small systems technical assistance awarded amounts transferred to the DWSRF Fund or another set-aside category (entered as a negative number) or from another set-aside category to this category (entered as a positive number).
60		Annual Expenses - Small Systems Technical Assistance	Dollar amount expended from this set-aside account for technical assistance to small systems serving 10,000 or fewer people.
63		Number of Systems Receiving Assistance	Number of small systems receiving technical assistance. Includes systems receiving direct assistance, including but not limited to: face-to-face meetings and attendance at workshops/conferences. Does not include systems reached by indirect assistance (i.e., mass mailings, media, internet). A system may be counted if it receives extended assistance via phone, fax, e-mail, or interactive internet communication.
<b>State Program Management (Dollars)</b>			
65		Amount Awarded for Inclusion in Workplans	Dollar amount awarded for inclusion in workplans for state program management.
67		Amount Transferred to/(from) State Program Management	Net state program management awarded amounts transferred to the DWSRF Fund or another set-aside category (entered as a negative number) or from another set-aside category to this category (entered as a positive number).
70		Annual Expenses - PWSS Administration	Dollar amount expended from this set-aside account to administer the PWSS Program.
72		Annual Expenses - Source Water Protection Technical Assistance	Dollar amount expended from this set-aside account to administer or provide technical assistance through source water protection programs, includes Class V portion of the UIC program.
74		Annual Expenses - Capacity Development	Dollar amount expended from this set-aside account on development and implementation of a capacity development strategy.
76		Annual Expenses - Operator Certification Programs	Dollar amount expended from this set-aside account on development and implementation of an operator certification program.
<b>Local Assistance and Other State Programs (1452(k) Activities)</b>			
81		Amount Awarded for Inclusion in Workplans	Dollar amount awarded for inclusion in workplans for local assistance and other state programs.
83		Amount Transferred to/(from) Local Assistance and Other State Programs (1452(k) Activities)	Net local assistance and other state programs awarded amounts transferred to the DWSRF Fund or another set-aside category (entered as a negative number) or from another set-aside category to this category (entered as a positive number).
86		Dollar Amount for SWP Land Acquisition/ Conservation Easements	Dollar amount of executed loan commitments to acquire land or conservation easements from a willing party for the purpose of protecting drinking water system source waters and ensuring compliance with national drinking water regulations.
88		Number of Systems Receiving SWP Assistance for Land Acquisition	Number of systems receiving assistance for source water protection by acquiring land or conservation easements.
90		Number of Acres Acquired for SWP	Number of acres of land acquired for source water protection.
92		Dollar Amount for Incentive-Based SWP Measures	Dollar amount of executed loan commitments to implement voluntary, incentive-based source water protection measures.
94		Number of Systems Receiving Assistance for Incentive-Based SWP Measures	Number of systems receiving assistance to implement voluntary, incentive-based source water protection measures.
96		Annual Expenses - SWP Area Delineation/Assessment	Dollar amount of FY 1997 capitalization grant expended to delineate and/or assess source water protection areas for Public Water Systems in accordance with section 1453.
98		Annual Expenses - Wellhead Protection Programs	Dollar amount expended from this set-aside account for the implementation of wellhead protection programs.
99		Annual Loans - Wellhead Protection Programs	Dollar amount of executed loan commitments under the Wellhead Protection Programs
100		Annual Number of Wellhead Protection Loans	Number of loan executed loan commitments under wellhead protection programs.
102		Annual Expenses - Technical or Financial Assistance to PWSs	Dollar amount expended from this set-aside account to provide technical or financial assistance to Public Water Systems as part of a capacity development strategy.
103		Annual Dollar Amount of Loans under the Capacity Development Strategy	Dollar amount of executed loan commitments under the Capacity Development Strategy.
104		Annual Number of Loans under the Capacity Development Strategy	Number of executed loan commitments under the Capacity Development Strategy.
106		Number of Systems Receiving Technical or Financial Assistance for Capacity Development	Number of systems receiving technical or financial assistance as part of a capacity development strategy. Includes systems receiving direct assistance, including but not limited to: face-to-face meetings and attendance at workshops/conferences. Does not include systems reached by indirect assistance (i.e., mass mailings, media, internet). A system may be counted if it receives extended assistance via phone, fax, e-mail, or interactive internet communication.

<b>Set-Aside Summary</b>			
111		Annual Total Awarded Amount for Set-Asides	The sum of all amounts awarded for inclusion in workplans for set-asides (also reported on line 17). <i>Calculated value.</i>
113		Annual Net Transfers from Awarded Amounts to DWSRF Fund	The sum of all set-aside award amounts transferred between set-aside accounts. Annual amount will be zero when transfers are made just between set-aside accounts. A positive number indicates a net transfer balance that will return to the DWSRF Fund (also reported on line 18). A negative number is an error, indicating a larger amount of transfers into set-aside accounts than out of set-aside accounts. <i>Calculated value.</i>
115		Annual Net Amount Awarded for Set-Asides	Net dollar amount awarded for inclusion in workplans for set-aside accounts, less transfers back to the DWSRF Fund. <i>Calculated value.</i>
118		Total Annual Set-Aside Activity Dollars Expended	The sum of all expenses and 1452(k) loan commitments from all set-aside accounts. <i>Calculated value.</i>
<b>DWSRF Fund Assistance</b>			
<i>DWSRF assistance includes only the portion of a project's cost that is financed with DWSRF funds. DWSRF assistance is the amount of the contractual obligation (i.e., loan commitment or execution) between the state and the assistance recipient and may include capitalized interest and contingencies. DWSRF assistance amounts are based on the loan execution amount unless the final loan amount is known. An individual assistance action is defined as the original scope of work in the assistance agreement for the portion of the project funded with DWSRF monies plus any minor additions. Major changes in scope are counted as additional actions.</i>			
<b>Binding Commitments</b>			
121		Annual Dollar Amount	Total dollar amount of actual DWSRF binding commitments for DWSRF assistance made during the reporting period. A binding commitment for a project is defined as a legal obligation by the state to a local assistance recipient that defines the terms of assistance through the DWSRF. In some states, the binding commitment and loan execution occur at the same time. Does not include set-asides.
123		Annual Number of Binding Commitments	Total number of actual DWSRF binding commitments for DWSRF assistance made during the reporting period. A binding commitment for a project is defined as a legal obligation by the state to a local assistance recipient that defines the terms of assistance through the DWSRF. In some states, the binding commitment and loan execution occur at the same time. Does not include set-asides.
<b>Type of DWSRF Assistance Provided (Dollars)</b>			
<i>The total dollar amount of DWSRF assistance provided via executed assistance agreements in each category during the reporting period (excludes 1452(k) activities).</i>			
125		Executed Loan Commitments	Loan agreements executed for eligible project activities. Includes any differences in loan amounts, including capitalized interest, that result from replacing an interim DWSRF construction loan with permanent DWSRF financing in the period in which the change occurs. If the construction loan and the permanent financing are for a different amount, record the difference in the period in which the permanent financing is placed into effect. Report the full principal amount of the loan, including any amounts that will be forgiven.
126		Refinance Short-Term Debt	Refinancing short-term local debt obligations (i.e., bond anticipatory notes (BANs)). Local debt obligations refers to non-DWSRF debt. Replacement of an interim DWSRF construction loan with permanent DWSRF financing is covered under Executed Loan Commitments.
127		Refinance Long-Term Debt	Refinancing long-term local debt obligations, not DWSRF debt.
128		Guarantee or Purchase Insurance	Guarantee or purchase insurance for local (non-DWSRF) debt obligations.
<b>Type of DWSRF Assistance Provided (Number of Assistance Agreements)</b>			
<i>The total number of DWSRF assistance agreements or executed loans made in each category during the reporting period (excludes 1452(k) activities).</i>			
131		Executed Loan Commitments	Loan agreements executed for eligible project activities. An interim construction loan, followed by permanent DWSRF financing, is counted as one loan.
132		Refinance Short-Term Debt	Refinancing short-term local debt obligations (i.e., bond anticipatory notes (BANs)). Local debt obligations refers to non-DWSRF debt. Replacement of an interim DWSRF construction loan with permanent DWSRF financing is covered under Executed Loan Commitments.
133		Refinance Long-Term Debt	Refinancing long-term local debt obligations, not DWSRF debt.
134		Guarantee or Purchase Insurance	Guarantee or purchase insurance for local (non-DWSRF) debt obligations.
<b>Assistance by Population Size (Dollars)</b>			
137-141		Amount of DWSRF assistance provided during the reporting period to fund projects serving each of the population size categories (Less than 501; 501 to 3,300; 3,301 to 10,000; 10,001 to 100,000; 100,001 and above).	
<b>Assistance by Population Size (Number of Assistance Agreements)</b>			
144-148		Number of DWSRF assistance agreements made during the reporting period to fund projects serving each of the population size categories (Less than 501; 501 to 3,300; 3,301 to 10,000; 10,001 to 100,000; 100,001 and above).	

Line #	Category	Field Name	Definition
<b>Drinking Water System Project Assistance (Dollars in Each Category)</b>			
<i>The total dollar amount of DWSRF assistance provided (i.e., executed loans) for the following activities during the reporting period (excludes 1452(k) loan activities). Divide project costs between categories as appropriate. Ensure that the total dollar amount across these categories equals the total dollar amount of assistance provided (in line 118). Planning and design costs for construction projects are included within construction costs.</i>			
151		Planning and Design Only	Project assistance for planning and design costs only. Assistance provided for a combined planning, design, and construction project should all reported under the appropriate construction category(ies) below.
		Construction	
152		Treatment	Includes any of the following: disinfection, filtration, waste handling and treatment, other treatment needs (i.e., GAC, aeration, iron/manganese removal), and chemical storage tanks.
153		Transmission & Distribution	Includes any of the following: raw and finished water transmission, service lines, valves, backflow prevention, water meters, and/or pumping stations.
154		Source	Includes any of the following: wells, wellhead pumps, and surface water intakes.
155		Storage	Includes any of the following: elevated and ground level storage for finished/treated water and covers for existing storage.
156		Purchase of Systems	Includes any of the following: all of the eligible costs funded by the DWSRF to purchase systems, for example as part of consolidation/regionalization.
157		Restructuring	The costs associated with changes in organizational structure, management, accounting, rates, or other procedures conducted in order to meet technical, financial, and managerial requirements.
158		Land Acquisition	Includes all of the eligible costs funded by the DWSRF to acquire land.
159		Other	Any other assistance costs that cannot be classified into the categories above.
<b>Drinking Water System Project Assistance (Number in Each Category)</b>			
<i>The total number of DWSRF assistance agreements made for each of the following activities during the reporting period (excludes 1452(k) loan activities). Assistance agreements may be counted in more than one category if they fund more than one category.</i>			
162		Planning and Design Only	Assistance agreements for planning and design only projects. Combined planning, design, and construction projects should all be reported under the appropriate construction category(ies) below.
		Construction	
163		Treatment	Includes any of the following: disinfection, filtration, waste handling and treatment, other treatment needs (i.e., GAC, aeration, iron/manganese removal), and chemical storage tanks.
164		Transmission & Distribution	Includes any of the following: raw and finished water transmission, service lines, valves, backflow prevention, water meters, and/or pumping stations.
165		Source	Includes any of the following: wells, wellhead pumps, and surface water intakes.
166		Storage	Includes any of the following: elevated and ground level storage for finished/treated water and covers for existing storage.
167		Purchase of Systems	Assistance agreements to purchase systems, for example as part of consolidation/regionalization.
168		Restructuring	Assistance agreements to change organizational structure, management, accounting, rates, or other procedures conducted in order to meet technical, financial, and managerial requirements.
169		Land Acquisition	Includes assistance agreements that include land acquisition.
170		Other	Any other assistance agreements that can not be classified into the categories above.

Line #	Category	Field Name	Definition
<b>Number of Projects Funded</b>			
173		Annual Number of Projects Receiving Assistance	Number of projects receiving DWSRF assistance during the reporting period, as a result of the assistance agreements (i.e., executed loans). Multiple assistance agreements related to a project with a common scope and purpose (including phased projects) should be counted as one project at the time the first assistance agreement is reported. One assistance agreement may include more than one project as ranked on a state priority list.
<b>DWSRF Project Starts</b>			
<i>The start of a DWSRF assisted project is defined as the date of issuance to a contractor of a notice to proceed for the initial DWSRF-funded contract or, if a notice to proceed is not required, the date of execution of the initial DWSRF funded contract awarded for the project. Includes only the portion financed with DWSRF funds. For refinance activities, project start amounts are reported in the period the assistance agreement was signed.</i>			
175		Annual Dollar Amount	Total DWSRF assistance provided for DWSRF-funded activities starting during the reporting period (includes assistance for refinancing).
177		Annual Number of Assistance Agreements	Total number of DWSRF assistance agreements for DWSRF-funded activities starting during the reporting period (includes assistance for refinancing).
<b>DWSRF Project Completion</b>			
<i>Project completion is defined as the date when the DWSRF funded project is complete for the purposes for which it was undertaken and operations are initiated or capable of being initiated. Includes only the portion financed with DWSRF funds. For refinance projects, project completion amounts are reported as the latter of the period construction was completed or the assistance agreement was signed.</i>			
179		Annual Dollar Amount	Total dollar amount of DWSRF assistance provided for DWSRF-funded activities completed during the reporting period (includes assistance for refinancing).
181		Annual Number of Assistance Agreements	Total number of DWSRF assistance agreements for DWSRF-funded activities that were completed during the reporting period (includes assistance for refinancing).
183		Number of Projects Completed	Number of projects receiving DWSRF assistance for DWSRF-funded activities completed during the reporting period.
<b>Assistance to Disadvantaged Communities</b>			
185		Annual Dollar Amount of Assistance	Total dollar amount of DWSRF assistance (i.e., executed loan commitments) provided during the reporting period to disadvantaged communities (disadvantaged assistance as defined by the state).
187		Annual Number of Assistance Agreements	Total number of DWSRF assistance agreements made during the reporting period to disadvantaged communities (disadvantaged assistance as defined by the state).
189		Annual Dollar Amount of Assistance with Principal Forgiveness	Total dollar amount of assistance to disadvantaged communities that includes a principal subsidy or a subsidy from a negative interest rate loan. Report the total loan amount, including the amount of principal forgiveness or negative interest.
191		Annual Dollar Amount of Principal Forgiveness Provided	Total dollar amount of principal subsidy provided for the disadvantaged communities receiving assistance with principal forgiveness or negative interest rate during the reporting period. Report only the total dollar amount of principal forgiveness or negative interest (not the total dollar amount of assistance).
193		Number of Assistance Agreements with Principal Forgiveness	Number of DWSRF assistance agreements that include principal forgiveness made to disadvantaged communities.
195		Dollar Amount of Assistance with Greater than 20-Year Repayment	Total dollar amount of DWSRF assistance provided to disadvantaged communities which will be repaid over more than 20 years.
197		Number of Assistance Agreements with Greater than 20-Year Repayment	Total number of DWSRF assistance agreements to disadvantaged communities which will be repaid over more than 20 years.
199		Population Served by Disadvantaged Communities Receiving Assistance	Population served by the disadvantaged communities receiving DWSRF assistance (as defined by the state and reported in line 185).

Line #	Category	Field Name	Definition
<b>Assistance for System Compliance</b>			
201		Annual Dollar Amount	Total DWSRF assistance provided during the reporting period to bring systems out of compliance (including SNCs) into compliance with health based standards of the Safe Drinking Water Act requirements.
203		Annual Number of Systems	Total number of systems out of compliance receiving DWSRF assistance to come into compliance with the Safe Drinking Water Act requirements.
205		Annual Population Served	Total population served during the reporting period by systems out of compliance receiving DWSRF assistance to come into compliance with the Safe Drinking Water Act requirements.
<b>Assistance to Private Systems</b>			
207		Annual Dollar Amount	Total DWSRF assistance provided to privately-owned systems during the reporting period. Examples of private owners include subdivisions, investors, trusts, cooperatives, and water associations.
209		Annual Number of Assistance Agreements	Number of DWSRF assistance agreements made during the reporting period to privately-owned systems.
<b>Assistance to Systems by Type</b>			
211		Annual Number of Community Systems	Total number of community systems receiving DWSRF assistance during the reporting period (includes newly created systems).
213		Annual Number of Non-Community Systems	Total number of non-community systems receiving DWSRF assistance during the reporting period.
215		Annual Population Served by Community Systems	Population served by community systems receiving DWSRF assistance during the reporting period.
217		Annual Population Served by Non-Community Systems	Population served by non-community systems receiving DWSRF assistance during the reporting period.
<b>Assistance for the Creation of New Systems</b>			
<i>The numbers in this section should only reflect assistance that results in the creation of new systems. These numbers are a sub-set of the total project assistance provided by the DWSRF.</i>			
219		Annual Dollar Amount	Total DWSRF assistance provided to create new systems during the reporting period.
221		Annual Number of Assistance Agreements	Total number of DWSRF assistance agreements made to create new systems during the reporting period.
<b>Assistance for the Consolidation of Systems</b>			
<i>The numbers in this section should only reflect assistance that results in the consolidation or regionalization of existing systems. These numbers are a sub-set of the total project assistance provided by the DWSRF.</i>			
223		Annual Dollar Amount	Total DWSRF assistance provided to consolidate/regionalize existing systems during the reporting period.
225		Annual Number of Assistance Agreements	Total number of DWSRF assistance agreements made to consolidate/regionalize existing systems during the reporting period.
227		Annual Number of Systems Eliminated	Number of systems eliminated through consolidation/regionalization during the reporting period.
<b>Assistance to Indian Tribes</b>			
229		Annual Dollar Amount	Total DWSRF assistance provided to Indian tribes during the reporting period. Includes Indian tribes on reservations, Indian tribes in Oklahoma not on reservations, and Alaska native villages.
231		Annual Number of Assistance Agreements	Total number of DWSRF assistance agreements made with Indian tribes during the reporting period. Includes Indian tribes on reservations, Indian tribes in Oklahoma not on reservations, and Alaska native villages.

<b>Fund Information</b>			
<b>Leveraged Bonds (Excludes State Match)</b>			
<i>Leveraged bonds are bonds for which funds within the DWSRF provide the source of debt service support or security. Does not include those bonds issued to meet the state match requirement or bonds issued to fund a separate or adjunct state grant or loan program.</i>			
233		Gross Leveraged Bonds Issued - Annual	Gross amount of DWSRF leveraged bonds issued by the state during the reporting period. Capital appreciation (zero coupon) bonds are reported as the par amount received at time of issuance. Does not include the amount of bonds issued to refund previously issued leveraged bonds.
234		Net Leveraged Bonds Issued - Annual	A. Gross amount of DWSRF leveraged bonds issued by the state during the reporting period adjusted for the following transactions: 1. plus or minus any original issue premium or discount; 2. less bond proceeds set aside for capitalized interest; and 3. less expenses related to bond issuance except those charged against DWSRF administrative expenses (i.e., costs of issuance, bond insurance, bond underwriter's discount, legal fees, prepaid interest, and other costs incidental to bond issuance). B. Net bonds includes amounts issued to fund a debt service reserve. Debt service reserve amounts are reported separately. C. Net bonds does not include the amount of bonds issued to refund previously issued leveraged bonds.
235		Cost of Leveraged Bond Issuance - Annual	Expenses related to gross bonds issued except those charged against DWSRF administrative expenses (i.e., costs of issuance, bond insurance, bond underwriter's discount, legal fees, prepaid interest, and other costs incidental to bond issuance). Does not include issuance costs for refunding bonds.
236		Leveraged Bond Principal Repaid - Annual	Dollar amount of DWSRF leveraged bonds called or repaid using DWSRF funds during the reporting period (i.e., principal repaid on the bonds including amounts deposited in escrow to repay term bonds). Excludes accreted amounts paid on maturing capital appreciation (zero coupon) bonds. Excludes bond principal repaid or advance refunded using refunding bond proceeds.
238		Debt Service Reserve for Leveraged Bonds - Balance at End of Reporting Period	Dollar amount of funds in the DWSRF debt service reserve to secure outstanding DWSRF leveraged bonds, balance at the end of the reporting period.
239		Net Change in Gross Bonds Resulting From Refunding - Annual	Gross amount of refunding bonds issued less amount of bonds refunded.
240		DWSRF Funds Used for Refunding (Excludes Bonds) - Annual	Any additional DWSRF funds (other than refunding bonds) used to complete a bond refunding (i.e., DWSRF funds used to supplement deposits in escrow accounts).
<b>State Match Bonds to be Repaid by DWSRF Fund</b>			
249		Match Bond Principal Repaid - Annual	Dollar amount of DWSRF state match bonds called or repaid using DWSRF funds during the reporting period (i.e., principal repaid on the bonds including amounts deposited in escrow to repay term bonds). Excludes accreted amounts paid on maturing capital appreciation (zero coupon) bonds. Excludes bond principal repaid or advance refunded using refunding bond proceeds.
<b>Interest Paid on Leveraged and Match Bonds</b>			
253		Total Interest Paid from Capitalized Interest Account and Other DWSRF Funds - Annual	Dollar amount of direct interest expense related to the leveraged and state match bond debt service paid using DWSRF funds including amounts paid from the capitalized interest account and from other DWSRF funds during the reporting period (i.e., interest payments on the bonds). Includes accreted amounts paid on maturing capital appreciation (zero coupon) bonds. Excludes interest paid from an escrow account to advance refund bonds.
254		Interest Paid from a Capitalized Interest Account - Annual	Dollar amount of interest paid on leveraged and state match bonds during the reporting period that is paid from a capitalized interest account funded from bond proceeds.
