Report of the Executive Director on the Utilization of Contributions and Waivers of Costs (General Rules XII.4 and XIII.4 (h))

Introduction

1. This report provides information to the Board in accordance with General Rules XII.4 and XIII.4 (h) on: i) the use of unrestricted cash resources to purchase commodities (General Rule XII.4); ii) contributions of only commodities or services from governments of developing countries, governments of countries with economies in transition and other non-traditional donors (General Rule XIII.4 (f)); and iii) waivers of indirect support costs (ISC) for in-kind contributions to cover direct support costs (General Rule XIII.4 (g)).

Use of Unrestricted Cash Resources to Purchase Commodities in Developing Countries (General Rule XII.4)

2. Under General Rule XII.4, the Executive Director is responsible for making the optimum use of available resources in commodities, cash and services. The Executive Director may use unrestricted cash resources to purchase commodities – as much as possible from developing countries – and shall report such purchases to the Board. This document reports on the use of unrestricted cash resources for the development programme category.
3. In 2016, USD 6.4 million of unrestricted cash was available, compared to USD 3.3 million in 2015. Of this total, USD 2.7 million, or 43 percent, was utilized to purchase food from developing countries, down from USD 2.8 million and 87 percent in 2015. The remaining USD 3.6 million, or 57 percent, was used for purchases from developed countries, compared to USD 0.4 million or 13 percent in 2015. Details are shown in Table 1.
4. Further information on purchases of commodities from developing countries from all cash resources and under all programme categories is included in the Annual Performance Report for 2016 (WFP/EB.A/2017/4).
