CONFERENCE

Fortieth Session

Rome, 3-8 July 2017

Reviewed Strategic Framework

Extract from the Report of the 156th Session of Council (24 – 28 April 2017)

Reviewed Strategic Framework

6. The Council welcomed the Reviewed Strategic Framework, and:
- a) noted that the document provides a clear understanding of the main challenges expected to be faced by countries in food and agriculture in the coming years;
 - b) reaffirmed its support for FAO's Vision, Global Goals and Objectives;
 - c) appreciated the alignment of FAO's Strategic Objectives with the 2030 Agenda for Sustainable Development and its Sustainable Development Goals (SDGs);
 - d) noted with appreciation that the Strategic Framework continued to include a sixth objective, with a new title to better reflect its scope of ensuring technical quality and the integration of statistics and the cross-cutting themes of climate change, gender, governance and nutrition in the design and delivery of the Strategic Objectives;
 - e) cautioned against references to the World Humanitarian Summit, as a basis for action, noting that the outcomes of this meeting did not flow from an intergovernmental process; and
 - f) endorsed the reviewed Strategic Framework, in particular FAO's Vision, Global Goals and Objectives, for approval by the Conference.
