RE: Norton Sound Economic Development Corporation 2022 Annual Statement of Compliance

Dear Secretary Raimondo and Mr. Kurland:

Section 305(i)(1)(E)(v) of the Magnuson-Stevens Fishery Conservation and Management Act (MSFCMA) requires each entity participating in the Western Alaska Community Development Quota (CDQ) program to submit annually to the Secretary of Commerce and State of Alaska an Annual Statement of Compliance that summarizes the purposes for which the entity made "investments" under section 305(i)(1)(E)(iii) and (iv) of the MSFCMA during the preceding year.

In section 305(i)(1) of the MSFCMA, Congress did not define the term "investment." However, the CDQ Panel, which Congress established in section 305(i)(1)(G) of the MSFCMA, has defined the term "investment" to mean an expenditure made by a CDQ entity "with the objective of future financial returns, whether or not those endeavors yield gains or losses."

Utilizing that definition, the Norton Sound Economic Development Corporation (NSED C) hereby submits its Statement of Compliance for 2022.

During 2022, all investments made by NSED C were investments that, pursuant to section 305(i)(1)(E)(iv) of the MSFCMA, were either "fisheries-related projects" or were made for "purposes consistent with the practices of the entity prior to March 1, 2006."

On February 2, 2023, the board of directors of NSED C approved this Annual Statement of Compliance. Attached to this letter is NSED C Resolution 23-01 which confirms the approval.

Sincerely,

Janis Ivanoff
 President & CEO

"NSED C will participate in the Bering Sea fisheries to provide economic development through education, employment, training and financial assistance to our member communities."
