

GILMAN-MCCAIN SCHOLARSHIP APPLICATION PRE-CHECK

Before you apply, use this checklist to make sure you have everything you need!

- Check eligibility requirements:** Make sure you and your program meet [all eligibility criteria](#).
- Have your DD1173/Military Dependent ID ready:** Documentation that verifies your sponsor's active-duty status is required to submit with your application.
- Request your unofficial transcript:** Unofficial transcripts are acceptable to submit with your application. Recipients will submit official transcripts.
- Gather your abroad program details:** To learn more about the details you'll provide, review the [PDF version of the application](#). Don't have finalized program details? Estimated dates and cost are acceptable to submit with the application.
- Prepare to select certifying advisors:** All applicants must select one study abroad advisor and one financial aid advisor within their application. Check the [Advisor Directory](#) to find advisors registered at your institution.
- Begin drafting your essay responses:** Writing your [three required essays](#) as early as possible gives you time to share drafts with others to proofread in advance of the deadline.
