Executive Order 13673 of July 31, 2014

Fair Pay and Safe Workplaces

By the authority vested in me as President by the Constitution and the laws of the United States of America, including 40 U.S.C. 121, and in order to promote economy and efficiency in procurement by contracting with responsible sources who comply with labor laws, it is hereby ordered as follows:

Section 1. Policy. This order seeks to increase efficiency and cost savings in the work performed by parties who contract with the Federal Government by ensuring that they understand and comply with labor laws. Labor laws are designed to promote safe, healthy, fair, and effective workplaces. Contractors that consistently adhere to labor laws are more likely to have workplace practices that enhance productivity and increase the likelihood of timely, predictable, and satisfactory delivery of goods and services to the Federal Government. Helping executive departments and agencies (agencies) to identify and work with contractors with track records of compliance will reduce execution delays and avoid distractions and complications that arise from contracting with contractors with track records of non-compliance.
