

# OGGAYSIIS

Biyaha **WAXAA LAGA YAABAA in aysan** badqab u ahayn  
dabaasha roobka xoogan ee dhawaan awgii.

Daraasadaha waxay muujinayaan in bakteeriyada ay u kordhi karto ilaa heerar caafimaad daro keenaysa  
kadib maalin roobab culus da'aan.

**Biyaha xeebtaan waxaa si joogto ah loo baaraa xiliga dabaasha.**

**Xaaladaha xeebta ee hadda kala xiriir:**

Wixii macluumaad dheeraad ah oo ku saabsan biyaha madadaalada iyo caafimaadkaaga, booqo mareegta  
Vermont Department of Health ee [HealthVermont.gov](https://www.healthvermont.gov) ama ka wac 1-800-439-8550.
