## Instructions for Form 433-F, Collection Information Statement

## What is the purpose of Form 433F?

Form 433-F is used to obtain current financial information necessary for determining how a wage earner or self-employed individual can satisfy an outstanding tax liability.

Note: You may be able to establish an Online Payment Agreement on the IRS web site. To apply online, go to <a href="https://www.irs.gov">https://www.irs.gov</a>, click on "I need to pay my taxes," and select "Installment Agreement" under the heading "What if I can't pay now?"

If you are requesting an Installment Agreement, you should submit Form 9465, *Installment Agreement Request*, along with Form 433-F. (A large down payment may streamline the installment agreement process, pay your balance faster and reduce the amount of penalties and interest.

Please retain a copy of your completed form and supporting documentation. After we review your completed form, we may contact you for additional information. For example, we may ask you to send supporting documentation of your current income or substantiation of your stated expenditures.

If any section on this form is too small for the information you need to supply, please use a separate sheet.

#### Section A – Accounts / Lines of Credit

List all accounts, even if they currently have no balance. However, do not enter bank loans in this section. Include business accounts, if applicable. If you are entering information for a stock or bond, etc. and a question does not apply, enter N/A.

#### Section B - Real Estate

List all real estate you own or are purchasing including your home. Include insurance and taxes if they are included in your monthly payment. The county/description is needed if different than the address and county you listed above. To determine equity, subtract the amount owed for each piece of real estate from its current market value.

#### Section C - Other Assets

List all cars, boats and recreational vehicles with their make, model and year. If a vehicle is leased, write "lease" in the "year purchased" column. List whole life insurance policies with the name of the insurance company. List other assets with a description such as "paintings", "coin collection", or "antiques". If applicable, include business assets, such as tools, equipment, inventory, and intangible assets such as domain names, patents, copyrights, etc. To determine equity, subtract the amount owed from its current market value. If you are entering information for an asset and a question does not apply, enter N/A.

#### Section D - Credit Cards
