

Two-Year Public Colleges

Programs in Kentucky Community and Technical College System (KCTCS) schools last from 6 to 24 months and can lead to diplomas, certificates and associate's degrees. Some programs are designed to transfer for credit at four-year colleges and universities. Others are technical programs that teach students specific occupational skills or improve their present job skills.

In addition to the programs listed in this section, all of the KCTCS schools participate in the following state and federal student aid programs:

State: College Access Program Grant, Kentucky National Guard programs, Vocational Rehabilitation, Kentucky Educational Excellence Scholarship, Kentucky Transportation Civil Engineering Scholarship and state waivers. Detailed information about these programs can be found in the State Government section.

Federal: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Federal Direct Loan, Veterans Administration programs and Federal Work-Study. Detailed information about these programs can be found in the Federal Government section.
