

KTFR FLOOD RESILIENCE LITERACY SURVEY

Please answer YES or NO to the following questions. It's REALLY important that you answer honestly. If there is any doubt, then please answer NO. By the completion of your KTFR program, you should be able to answer a Big YES to all of these AND back that up with your own teaching!

QUESTION	Pre-KTFR Answer	Post-KTRF Answer
<p>1. Do you know the difference between a Hurricane WATCH and WARNING? <i>Post Experience: Do you now know why this knowledge matters so much?</i></p>		
<p>2. Can you find and interpret forecast graphics by the National Hurricane Center (NHC)? <i>Post Experience: Are you now more confident you can do this?</i></p>		
<p>3. Do you regularly check the weather (and the NHC) THREE times a day, especially during hurricane season? <i>Post Experience: Are you now more likely to do this?</i></p>		
<p>4. Do you know the WORST possible landfall location of a hurricane for YOU? <i>Post Experience: Are you now more confident you can answer this question?</i></p>		
<p>5. Can you name FIVE factors that can INCREASE storm surge hazard risk? <i>Post Experience: Are you now more confident you can do this?</i></p>		
<p>6. Do you ALWAYS avoid walking or driving through a flooded area? <i>Post Experience: Are you now more likely to avoid flooded areas in the future?</i></p>		
<p>7. Have you and your family downloaded (and know how to use) a tide chart app, the FEMA app, and the state emergency management department app? <i>Post Experience: Are you now more likely to download and use these apps?</i></p>		
<p>8. Have you and your family 1) made a WRITTEN family emergency plan, including the phone numbers of emergency contacts; 2) identified your evacuation route; and 3) prepared an EMERGENCY KIT? <i>Post Experience: Are you now more likely to take these PREP-READY steps?</i></p>		
<p>9. Do you and your family always obey hurricane evacuation orders and leave? <i>Post Experience: Are you now more likely to obey evacuation orders in the future?</i></p>		
<p>10. Do you think it's important to learn how to swim? <i>Post Experience: Can you now explain three things to do to keep yourself and others safe in and around the water?</i></p>
