## **Directions:**

Heat 1 tablespoon of sesame oil and 1 tablespoon of olive oil in a wok over medium high heat. Add the ground turkey and cook until done, breaking the meat apart as it cooks. Drain and set aside. Add the remainder of the oils and bring to medium heat. Add the vegetables to the wok in the order they are listed and stir fry for one to two minutes each. Return the turkey to the wok, and stir the ginger, pepper, and basil. Heat thoroughly. Remove from the heat and stir in the stir fry sauce and say sauce.

Wash and dry Romaine lettuce. Place a single Romaine leaf on a clean surface. Spoon about <sup>1</sup>/<sub>4</sub> cup of the turkey and vegetable mixture into the center of the lettuce leaf. Put sweet and sour sauce in sample cups and place on plate. Garnish. Fold in sides and lift to eat.

For the Sweet and Sour Sauce:

Combine the chicken stock, vinegar, sugar, soy sauce, cranberry sauce, pineapple juice, and ginger in a medium pan. Bring to a boil. Reduce the heat and simmer for 10 minutes. Combine cornstarch and water and mix until smooth. Add to the simmer mixture, stirring occasionally. Heat until thickened. Cool and serve with lettuce wraps.
