

# Xerox® Product Compatibility – Windows 11

We offer a wide variety of print drivers for the newest operating system from Microsoft — Windows 11. The following table lists various Xerox® Office and Light Production products and information regarding the Xerox® Driver compatibility and availability. It will be updated periodically as we release new Windows 11 compatible device drivers.

The legend below briefly describes each of the driver types.

DRIVER TYPE	DESCRIPTION
Version 3 Global Print Driver (PS and PCL6)	Supports full-featured Desktop printing. Includes support for printing from Modern UI Apps. For more information, visit <a href="http://www.xerox.com/global">www.xerox.com/global</a> .
Version 4 Drivers (PS and PCL6)	Optimized for Windows 11. Provides access to a richer set of features when printing from Modern UI Apps.
Xerox® Scan Drivers (TWAIN/WIA)	Xerox® Scan Drivers provided for Windows 11, including both TWAIN and WIA drivers.

To access drivers for your products, visit [www.xerox.com/drivers](http://www.xerox.com/drivers), enter the name of your product, and select the Drivers and Downloads link from the resulting page.
