Respective PSAP:

This is a financial update of the 9-1-1 program for the distribution of the first quarter 2019 emergency communications tax revenues. These tax revenues are collected from customers during the first quarter of 2019 (January through March 2019) by the phone companies. The phone companies pay the collected taxes to Department of Revenue (DOR) and those taxes are then transferred to Oregon Military Department, Office of Emergency Management (OEM) during the period of April through June 2019.

During the quarter beginning April 1 through June 30, 2019, \$11,195,974 in tax revenues were received by the department. From these receipts, \$55,955 was paid to the Oregon Department of Revenue for collection and processing costs. Our administrative costs incurred for the past quarter was \$539,189. The advance withholding of administrative costs will be \$600,000 less the difference between the estimate and actuals for last quarter less any adjustments or \$517,194. The contribution to the 35% Enhanced Subaccount will be \$3,918,591. As of this date, the balance of the 35% subaccount is \$2,193,284 which includes all payments applied to the current fiscal quarter through the end of June 2019 and all unpaid invoices received by OEM during the reporting period. Approximately \$6.704 million, will be distributed to the PSAPs as prescribed by Oregon Revised Statute 403.240 (8).
