

Browsing the TMEP Table of Contents

Browsing

- Ensure that the TMEP box is checked and the TMEP Contents tab  has been selected as the active tab on the left pane.
- Click a specific chapter/subsection
- Click the triangle bullet to expand the list of corresponding subsections.

The screenshot displays the TMEP (Trademark Manual of Examining Procedure) website. The top navigation bar includes the TMEP logo, the title "Trademark Manual of Examining Procedure (Eighth)", and a search bar. Below the search bar, there are tabs for "TMEP", "Notes", and "Index". The left sidebar contains a table of contents with a tree view structure. The main content area shows the selected section: "Chapter 200 - Application Filing Date" and "201 What Constitutes Filing Date". A red box highlights the "TMEP Contents links" text in the main content area. A red arrow points from the "201 - What Constitutes Filing Date" link in the sidebar to the corresponding section in the main content area.

TMEP Contents links

	TOC Legend
■	A square bullet denotes the lowest section.
▶	A side triangle bullet denotes a further subdivision.
▼	A down triangle bullet lists the subdivisions.

Document Viewer

The screenshot shows the TMEP (Trademark Manual of Examining Procedure) document viewer. At the top, there is a header with the TMEP logo, the title "Trademark Manual of Examining Procedure (Eighth)", and navigation options like "Settings" and "Help". Below the header, there are search and navigation controls, including a search bar, checkboxes for "TMEP", "Notes", and "Index", and an "Operator" dropdown set to "AND". A navigation bar contains a left arrow, a search box with "0100", a right arrow, font size controls (A+, A-), and a right arrow with "0300". The main content area displays "Chapter 200 - Application Filing Date" and "201 What Constitutes Filing Date". The text discusses filing dates under the Trademark Act, including international registrations and extensions of protection. A sub-section "201.01 Effective Filing Date Controls for Purposes of Determining Priority for Publication or Issue" is also visible.

Collapse/expand the Table of Contents to change the size of the Document Viewer.
