Mountain & highland snow and gusty winds Christmas Day & Christmas Night

Key Details:

- A deeper storm moves through the region Christmas Day bringing some snow to northern NM, focusing in the northern mountains and between Raton Pass and Des Moines.
- Slick travel conditions are likely in the northern mountains, through Raton Pass and along US 64/87 through Capulin & Des Moines
- Gusty winds are forecast, especially across central & southern portions of the area where nuisance cross winds are likely.
