

# 7 Day Outlook - Hazards Details

December 22, 2024  
4:11 AM

## Key Messages:

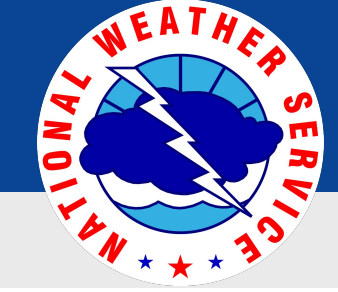

- Above normal temperatures will continue through the end of the week
- Little to no chance for precipitation through Saturday
- Christmas Day will be breezy

## Forecast Overview:

We will have a mostly quiet weather pattern with above average temperatures today and through the rest of the week. On Christmas day we will have breezy winds and slightly cooler temperatures to finish out the week.
