

Special Award Conditions

Award Number: NT10BIX5570079

Amendment Number: 2

1) Oregon City Rights of Way SAC

The County of Clackamas must provide to NOAA and NTIA:

1. Detailed maps of the fiber deployed in Oregon City and any planned buildings (denoting any buildings that were in its approved application, but no longer expected to be connected) to be connected that are within Oregon City;
2. Copies of the permits or other written communication authorizing the deployment of all aerial and buried BTOP fiber in the City; and
3. Documentation to support that fiber was not deployed after the City issued the stop work order on September 13, 2011.

Due Date: 02/25/2013
