LOW-L COMMENT: Fri Mar 17 19:43:11 GMT 1995
Entrance window is a little dusty due to the roadwork going on for the GONG instrument. I'll clean it when road work is finished.

Fri Mar 17 20:46:58 GMT 1995: Patrol End

COMMENT: Fri Mar 17 21:06:14 GMT 1995
Stopping observations since the wind is starting to blow from the direction of the road work, stopping to prevent dust from getting to our instruments in the dome. Will do routine cleaning maintenance then head to Hilo to get a new tire for the car and do some office work.
