WEATHER COMMENT: Sat Mar 21 17:33:07 GMT 1998

Thin to medium cirrostratus, wind=15 mph from the SW, temp=42 F.

COMMENT: Sat Mar 21 17:33:35 GMT 1998

I had to wait while a film crew was filming an Oldsmobile commercial on the road up to MLSO, this should be shown in the USA. There was a new, black Oldsmobile and some kind of black motorcycle, and they had smoke flares going at the side of the road to make it seem more volcanic. A helicopter was doing some of the filming.
