
Mauna Loa Solar Observatory Observer's Log

Sun Feb 11 17:42:13 GMT 2001

Year: 01 Doy: 042

Observer: koon

WEATHER COMMENT: Sun Feb 11 17:42:18 GMT 2001

Snowing heavily up here. Road was slightly slippery. Snow piling up pretty good, could hardly get it the East door. I checked everywhere for leaks and other potential problems, all looks well. No observing today, I'm leaving before I get stuck up here.
