Observer: yasukawa

WEATHER COMMENT: Mon May 13 16:31:57 GMT 2002

Cool, in very thick cirrostratus and altocumulus overcast, no shadows.

South wind.

WEATHER COMMENT: Mon May 13 17:23:53 GMT 2002

Weather satellite images indicate weather won't change anytime soon.

Going down to take care of back-burner items.

Mon May 13 17:24:52 GMT 2002
