MLSO PROBLEM: Thu Sep 19 20:17:25 GMT 2002

Bunny called, she is looking into the network problem and will get back to us with info we can use if we need to cal MHPCC for problems like this on the weekend. She said there is probably no need to contact Verizon when these problems occur. She also said to let her know if these network problems happen during the normal Mon-Fri workweek, then they'll look into them so we can keep other operations going while the network problems are handled by them.

MKIV COMMENT: Thu Sep 19 20:44:27 GMT 2002
