PSPT COMMENT: Fri Sep 10 17:31:07 GMT 2004

Mark Rast and Kim want the PSPT filters shipped to Boulder to measure the bandpasses. I will be shutting down PSPT and removing them.

PSPT will be shut down until we get them back. There is urgent need to get them into Boulder by Monday so I will shutdown observatory early in order to get the shipment to FEDEX before the drop-dead time to get it on today's airplane.
