GONG COMMENT: Sun Feb 20 18:47:36 GMT 2005

Found network cable disconnected from xterminal, reconnected and reset terminal.  
Later Bert called and asked that the cable be disconnected again and left  
that way until they leave on 2/25, they say they need it that way to use  
a laptop computer down there. I'll disconnect it for now and leave a note  
so others know why it is disconnected.
