COMMENT: Thu Jul 20 17:10:11 GMT 2006

For the record I was delayed 1 hour on Tuesday while I was trying to leave the parking lot. Construction workers had the parking lot blocked off with my vehicle inside while they lifted a roof onto a new building. Neither NOAA nor anyone else warned me of the blockage. Driving up today I saw markings on the road indicating construction may start soon there, more delays are possible as we drive down the road.
