COMMENT: Sun Oct 15 17:10:15 GMT 2006

Just had the biggest earthquake I've ever felt, I went outside and could see rocks and dust coming off the top of the lava berm that surrounds us, the big tower was wagging a bit too. Everything seems normal so far, got a call from GONG aut-dialer, I'll go down there and see if all is OK and reset the dialer.
