\*\*PSPT PROBLEM\*\* : Thu Dec 21 02:24:17 GMT 2006

Have been transferring missing pspt data from backup tapes all day with Alice.

Finished transferring data from 12/06 to 12/11 (last tape labeled

[in]12/10/06 - [out]12/13/06). There is a second pile of dlt backups that

still need to be transferred tomorrow (or next time).

"New" tape put back in dlt for regular data transfers overnight. I did an

"nt" this morning but will do another for good measure.
