\*\*GENERAL PROBLEM COMMENT BY DARRYL\*\*: Fri Sep 24 19:17:14 GMT 2010

FAX line doesn't won't ring, can TX and RX but won't get enough voltage to ring, will miss FAXs, I'll call HawTel Trouble.

\*\*GENERAL PROBLEM COMMENT BY DARRYL\*\*: Fri Sep 24 19:36:20 GMT 2010

Gaspro didn't deliver LN2 late Wednesday as they were supposed to, I talked to the manager and hopefully things will be straightened out in the future. They will deliver a full dewar on Monday, we do have LN2 left in the big dewar and I'll start cooling the CoMP camera on Sunday afternoon in preparation for Steve's visit and the restarting of CoMP next week.

NOTE BY DARRYL: Fri Sep 24 20:14:52 GMT 2010

I checked for a ring voltage and don't see any sign of one for the FAX telephone line, I've scheduled repair for Tuesday 9/28, a HawTel person should come up to look at the problem then. This has happened to that line on HawTel equipment in the past so it is possible that we won't even meet the HawTel person because the problem might be fixed down at the shack.
