NOTE BY DARRYL: Tue Mar  1 21:57:43 GMT 2011
Handling a lot of email regarding cancelling the HawTel side of our old
network connection.  We will be billed through 2/23/11, and our network
disconnection is proceeding to the HawTel Business Office now, I positively
identified the old network circuit IDs with Jaylene Pilgrim at HawTel.  So
it's in their hands now, and we'll be billed correctly.  I'm not sure how
the cancellation is going with the UH side of that old network, I let Bill
King know about our intention last week but UCAR finance should be taking care
of the cancellation with UH.
