CoMP COMMENT BY DARRYL: Wed Jul 6 18:43:23 GMT 2011

I found out that we had 3 copies of about 1 TB worth of data, so I deleted the copies in the "AlreadyCopied" folder on the CoMP PC after conferring with Leonard. Don also OKd the deletion of another 242 GB of data. Now we have about 1.5 TB of space on the PC and around the same on available portable HDD for storage of 2nd copies of CoMP data, the 1st copies are stored on mlsoserver. We have maybe 30 full days worth of data storage available for 2nd copies.
