WEATHER COMMENT: stueben: Thu Jan 30 17:53:31 GMT 2014

Clear, wind south 10-15 mph, temp 31F. Mauna Loa Rd is frosty but free of snow until about a mile before MLSO where it becomes snowy and rutted. I was able to drive as far as the public parking area and then walked up from there. The drive up from the gate is impassable. Hopefully the sun today will melt some of the snow.

**CoMP PROBLEM COMMENT BY stueben **: Thu Jan 30 22:50:34 GMT 2014

At startup and at recipe 90 comp has the error message "Error 1059 occurred at Open File+.viOpen File". At startup pressing continue allows it to proceed, but after recipe 90 the program must be stopped and restarted to continue.
