Mauna Loa Solar Observatory Observer's Log
Sun Feb 16 17:12:17 GMT 2014
Year: 14 Doy: 047
Observer: waters
WEATHER COMMENT: waters: Sun Feb 16 17:12:41 GMT 2014
Thick cirrus covering the whole sky at present. Temp 41F, currently no wind. Wainting for better skies before opening upend
GENERAL OBSERVATORY COMMENT BY waters: Sun Feb 16 20:44:33 GMT 2014
Managed to clean up Kcor cabinet a bit and get all the filters for the HEPAs in it. Also placed the 4 hard drives in as we
<pre>11. Currently the laptop box for Allen is on the desk next to the printerend</pre>
GENERAL OBSERVATORY COMMENT BY waters: Mon Feb 17 01:24:52 GMT 2014
Been shrouded in fog a while now and it doesn't seem to be liftingend
