Thu Aug 7 03:01:56 GMT 2014: PSPT Abort Patrol

GENERAL OBSERVATORY COMMENT BY berkey: Thu Aug 7 03:03:34 GMT 2014

NOAA is all packed in. All systems are shut down. Annoyingly this includes all their web services including webcams and metrology so we wont be able to track the storm effects on the mountain remotely. All MLSO systems are online, Allen will shut down tomorrow.
