Tue Jan 06 18:01:15 GMT 2015 COMP Start Patrol

Tue Jan 06 18:22:50 GMT 2015 KCOR Start Synoptic Patrol

GENERAL OBSERVATORY COMMENT BY stueben: Tue Jan 6 18:30:38 GMT 2015

Most systems seemed to be OK when I arrived today. Kcor took a little extra time to get started as the pc needed to be restarted, the sgs labview program needed to be restarted. The road is clear of snow up to the gate at the observatory. Some snow still on the ground and in the parking area.
