GENERAL COMMENT BY berkey: Fri Jan 29 17:59:07 GMT 2016

RA is oscillating this morning.

Things seemed to get better when putting in better morning

GENERAL COMMENT BY berkey: Fri Jan 29 18:19:59 GMT 2016

Next time I should wait for sunrise to log sky conditions. Thin cirrus overcast over the sky.

\_\_\_end\_\_\_

GENERAL COMMENT BY berkey: Fri Jan 29 21:32:40 GMT 2016

Looks like the sky wont clear up enough for kcor today. going to head out
