GENERAL COMMENT BY stueben: Tue Mar 15 17:15:22 GMT 2016

Probably no observations today, kcor cabling disconnected from rack to accomodate flooring installation.

___end___

WEATHER COMMENT: stueben: Tue Mar 15 22:40:14 GMT 2016

In dense orographic clouds.

___end___

GENERAL COMMENT BY stueben: Tue Mar 15 22:58:24 GMT 2016

Alconox cleaner and digital scale have arrived. I brought them up to mlso today.

___end___

GENERAL COMMENT BY stueben: Tue Mar 15 23:02:43 GMT 2016

Closing out the log for today as we are about to move furniture again.
