Temp: 41.3f, Humidity: 77%, Pressure: 28.662in, Wind: 10mph from 196degs, Skies: overcast dome will remain closed for now

____end____

GENERAL COMMENT BY berkey: Mon Dec 12 23:01:00 GMT 2016

Things almost clear enough to open the dome.

____end____

GENERAL COMMENT BY berkey: Mon Dec 12 23:59:14 GMT 2016

Moderate rain.

____end____

GENERAL COMMENT BY berkey: Tue Dec 13 00:25:20 GMT 2016

Rain and wind picking up

____end____

GENERAL COMMENT BY berkey: Tue Dec 13 01:45:09 GMT 2016

Ran the guider for a few minutes today but no real data.

Hale also moved over to the new network.
