WEATHER COMMENT: stueben: Sat Jun 17 22:42:46 GMT 2017

In thin cirrus with orographic clouds building.

____end____

WEATHER COMMENT: stueben: Sun Jun 18 01:27:31 GMT 2017

Still cloudy.

____end____

GENERAL COMMENT BY stueben: Sun Jun 18 01:32:52 GMT 2017

The early overcast sky looked bad but the clouds cleared for about 2 hrs starting at 10:45. Seeing was only fair and there were also notable aerosols. The paint on the dome floor seemed dry, so I moved things back to their usual positions. There is still some paint smell so I left the dome windows open.
