GENERAL COMMENT BY stueben: Tue Jul 17 17:57:54 GMT 2018

PM Blew off Kcor O1; front and back. There is a smuge on the O1 that may need to be addressed.

GENERAL COMMENT BY stueben: Tue Jul 17 20:29:56 GMT 2018

I changed the connection from the air brush compressor to the ion gun by adding quick connects (and a new flexible air hose). It is now easy to connect the old air gun or move the compressor to another location.

WEATHER COMMENT: waters: Wed Jul 18 01:27:36 GMT 2018

Unfortunately, no data today. Ben will have to discover how much good we were able to do when we blew off the O1.
