GENERAL COMMENT BY berkey: Tue Mar 09 22:45:43 GMT 2021

Finished up some of the RA work. Should be ready to use when the weather breaks.

____end____

GENERAL COMMENT BY berkey: Tue Mar 09 22:46:47 GMT 2021

Lots of precipitation over the last few hours. Conditions appear to be degrading.

____end____

GENERAL COMMENT BY berkey: Tue Mar 09 22:56:46 GMT 2021

____end____

GENERAL COMMENT BY berkey: Tue Mar 09 22:56:59 GMT 2021

Heading out before conditions get worse.
